The issue of the £387,400,000 1.625 per cent. The giving of the Guarantee (as defined herein) by each of Jet2.com Limited and Jet2holidays Limited (together, the “**Initial Guarantors**”) pursuant to the Trust Deed (as defined below) was authorised by a resolution of the respective boards of directors of each of the Initial Guarantors, passed on 31 May 2021.

The Bonds are constituted by a trust deed dated 10 June 2021 (the “**Trust Deed**”) between the Issuer, the Initial Guarantors and HSBC Corporate Trustee Company (UK) Limited (the “**Trustee**”, which expression shall include all persons for the time being appointed as the trustee or trustees under the Trust Deed) as trustee for the Bondholders (as defined below). The statements set out in these Terms and Conditions (the “**Conditions**”) are summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bonds. The Bondholders are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and those provisions applicable to them which are contained in the Paying, Transfer and Conversion Agency Agreement dated 10 June 2021 (the “**Agency Agreement**”) relating to the Bonds between the Issuer, the Initial Guarantors, the Trustee and HSBC Bank plc (the “**Principal Paying, Transfer and Conversion Agent**”, which expression shall include any successor as Principal Paying, Transfer and Conversion Agent under the Agency Agreement), the Paying, Transfer and Conversion Agents for the time being (such persons, together with the Principal Paying, Transfer and Conversion Agent, being referred to below as the “**Paying, Transfer and Conversion Agents**”, which expression shall include their successors as Paying, Transfer and Conversion Agents under the Agency Agreement) and HSBC Bank plc in its capacity as registrar in respect of the Bonds (the “**Registrar**”, which expression shall include any successor as registrar under the Agency Agreement).

Capitalised terms used but not defined in these Conditions shall have the meanings attributed to them in the Trust Deed unless the context otherwise requires or unless otherwise stated.

1. Form, Denomination, Title, Status and Guarantee

(a) *Form and Denomination*

The Bonds are in registered form in principal amounts of £100,000 each.

(b) *Title*

Title to the Bonds will pass only by transfer and registration as described in Condition 4. The holder (as defined below) of any Bond will (except as otherwise required by law or as ordered by a court of competent jurisdiction) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or its theft or loss (or that of the related certificate, as applicable) or anything written on it or the certificate representing it (other than a duly executed transfer thereof)) and no person will be liable for so treating the holder.

(c) *Status*

The Bonds constitute direct, unconditional, unsubordinated and (subject to Condition 2) unsecured obligations of the Issuer ranking *pari passu* and rateably, without any preference among themselves, and at least equally with all other existing and future unsecured and unsubordinated obligations of the Issuer but, in the event of a winding up of the Issuer, save for such obligations that may be preferred by provisions of law that are mandatory and of general application.

(d) *Guarantee and Status of the Guarantee*

(i) *Guarantee by the Initial Guarantors*

The Initial Guarantors have in the Trust Deed unconditionally and irrevocably guaranteed on a joint and several basis the due and punctual payment of all sums payable by the Issuer under the Trust Deed and the Bonds (the “**Guarantee**”, which term shall include each guarantee given by any Additional Guarantors as provided in Condition 1(d)(ii)), subject to the provisions of Condition 1(d)(iv) below.

(ii) *Guarantee by Additional Guarantors*

Subject to the provisions of Condition 1(d)(iv) below and any mandatory limitations under applicable law (including mandatory limitations that may result in such guarantees being unable to be granted or invalid), if at any time after 3 June 2021 and for so long as:

- (A) any Subsidiary of the Issuer is a guarantor under a Relevant Banking Facility, or if the Issuer is a guarantor of any obligations of any Subsidiary of the Issuer under a Relevant Banking Facility; or

- (B) any Subsidiary of the Issuer guarantees any present or future Relevant Indebtedness of (1) the Issuer or (2) any other Subsidiary of the Issuer which has guaranteed Relevant Indebtedness of the Issuer; or
- (C) any Subsidiary of the Issuer issues or has outstanding any Relevant Indebtedness which has the benefit of a guarantee from (a) the Issuer or (b) any other Subsidiary of the Issuer which has guaranteed Relevant Indebtedness of the Issuer,

the Issuer covenants that it shall procure that each such Subsidiary (each such Subsidiary, an “**Additional Guarantor**”) shall promptly (and in any event no later than 15 London business days) following the date of the giving of such guarantee or, if later, 15 London business days after the date on which it becomes a Subsidiary of the Issuer and is providing or benefits from such a guarantee, execute and deliver (i) to the Trustee a deed supplemental to the Trust Deed, such supplemental trust deed to be in form and substance satisfactory to the Trustee, and (ii) to the Trustee, the Registrar and the Paying, Transfer and Conversion Agents, a supplemental agency agreement in form and substance satisfactory to the Trustee, the Registrar and the Paying, Transfer and Conversion Agents, and accompanied by such opinion(s) as the Trustee shall require, pursuant to which such Subsidiary shall unconditionally and irrevocably (subject to the provisions of Condition 1(d)(iv) below) guarantee, on a joint and several basis, the due and punctual payment of all sums payable by the Issuer under the Trust Deed and the Bonds on the same terms, *mutatis mutandis*, as the Initial Guarantors. Subject to the satisfaction of the other provisions of this Condition 1(d) but without any consent or direction from the Bondholders, the Trustee shall use its reasonable endeavours to effect the giving of the Guarantee by each Additional Guarantor. Each Initial Guarantor has in the Trust Deed and the Agency Agreement confirmed that it has consented (and each Additional Guarantor shall in the supplemental trust deed executed by it be required to consent) to any such entity becoming a Guarantor as aforesaid without any need for any such other Guarantor to execute any supplemental trust deed or supplemental agency agreement.

Following the accession of an Additional Guarantor to the Trust Deed, such Additional Guarantor shall be bound by these Conditions and the Trust Deed in all respects as if it had been an Initial Guarantor original party hereto and thereto. Each Additional Guarantor’s obligations in respect of this Condition 1(d) shall be contained in the Trust Deed, as supplemented.

Furthermore, the Issuer shall procure that such amendments are made to the Conditions and the Bonds as are necessary, in the opinion of the Trustee, to ensure that the Bonds may be guaranteed by the Additional Guarantors *mutatis mutandis* in accordance with and subject to the Trust Deed with such amendments as the Trustee shall consider appropriate.

Notice of the accession of an Additional Guarantor shall be given to the Bondholders in accordance with Condition 17 promptly after such accession.

The Trustee shall have no duty to monitor whether a Subsidiary of the Issuer is required to become an Additional Guarantor pursuant to this Condition 1(d)(ii) and, until it has received express notice in writing from the Issuer of the same, shall be entitled to assume, without enquiry and without liability, that no such requirement has arisen.

(iii) *Status of the Guarantee*

The obligations of each Guarantor under the Guarantee constitute direct, unconditional, unsubordinated and (subject to Condition 2) unsecured obligations of the respective Guarantor, and rank and will rank at least equally with all other existing and future unsecured and unsubordinated obligations of the respective Guarantor but, in the event of a winding up of a

Guarantor, save for such obligations of that Guarantor that may be preferred by provisions of law that are mandatory and of general application.

(iv) *Release of a Guarantor*

Any Guarantor (including, for the avoidance of doubt, an Initial Guarantor, but subject as provided below) shall cease to be a Guarantor in the following circumstances and upon certification of the same by the Issuer in writing to the Trustee in a certificate signed by two authorised signatories of the Issuer:

- (A) no Event of Default or Potential Event of Default is continuing or will result from the release of that Guarantor;
- (B) no part of the indebtedness in respect of which that Additional Guarantor is or was providing a guarantee at that time is due and payable but unpaid; and
- (C) none of the circumstances described in Condition 1(d)(ii)(A), (B) or (C) above apply in respect of such Guarantor (or the relevant circumstance will cease to apply simultaneously with the release of the Guarantee by that Guarantor under this Condition 1(d)(iv)).

Upon the Trustee's receipt of such certificate (which the Trustee may rely on without liability to any person and without enquiry), such Guarantor shall immediately, automatically and irrevocably be released and relieved of any obligation under the Guarantee and the Trust Deed and the Trustee shall take (at the request, cost and expense of the Issuer and such Guarantor and without the consent or approval of the Bondholders) any necessary action required by the Issuer and/or such Guarantor to effect such release. Such certificate must contain a certification to the effect provided in paragraphs (A) to (C) (inclusive) above of this Condition 1(d)(iv).

Notice of the release of a Guarantor shall also be given to the Bondholders in accordance with Condition 17 promptly after such release.

A Guarantor that has been released pursuant to this Condition 1(d)(iv) may subsequently be required to provide a Guarantee pursuant to Condition 1(d)(ii).

For the avoidance of doubt, in the event of a Newco Scheme, any guarantee given by the Issuer or by Newco pursuant to Condition 11(g)(1) shall not benefit from the provisions of this Condition 1(d)(iv), and accordingly the Issuer or Newco (as the case may be) shall not be entitled to be released as a guarantor.

2. **Negative Pledge**

So long as any Bond remains outstanding (as defined in the Trust Deed), neither the Issuer nor any Guarantor will create or have outstanding, and each of them will ensure that none of its Material Subsidiaries will create or have outstanding, any mortgage, charge, lien, pledge or other security interest (each a "**Security Interest**"), in each case other than a Permitted Security Interest, upon the whole or any part of its present or future undertaking, assets or revenues (including any uncalled capital) to secure any Relevant Indebtedness or to secure any guarantee or indemnity in respect of any Relevant Indebtedness, unless, in any such case, before or at the same time as the creation of the Security Interest, any and all action necessary shall have been taken to ensure that:

- (A) all amounts payable by the Issuer and the Guarantors under the Bonds and the Trust Deed are secured equally and rateably with the Relevant Indebtedness or guarantee or indemnity, as the case may be; or

- (B) such other Security Interest or guarantee or other arrangement (whether or not including the giving of a Security Interest) is provided in respect of all amounts payable by the Issuer and the Guarantors under the Bonds and the Trust Deed as either (i) the Trustee shall in its absolute discretion deem not materially less beneficial to the interest of the Bondholders or (ii) shall be approved by an Extraordinary Resolution of the Bondholders.

Bonds may, subject to the terms of the Agency Agreement and to Conditions 4(c) and 4(d), be transferred by lodging the relevant Bond (with the form of application for transfer in respect thereof duly executed and duly stamped where applicable) at the specified office of the Registrar or any Paying, Transfer and Conversion Agent.

No transfer of a Bond will be valid unless and until entered on the Register. A Bond may be registered only in the name of, and transferred only to, a named person (or persons, not exceeding four in number).

The Registrar will within seven business days, in the place of the specified office of the Registrar, on any duly made application for the transfer of a Bond, register the relevant transfer and deliver a new Bond to the transferee at the specified office of the Registrar or (at the risk and, if mailed at the request of the transferee or, as the case may be, the transferor otherwise than by ordinary mail, at the expense of the transferee or, as the case may be, the transferor) mail the Bond by uninsured mail to such address as the transferee or, as the case may be, the transferor may request. Where not all the Bonds represented by a certificate are the subject of the transfer, a new certificate in respect of the balance of the Bonds will be issued to the transferor.

(c) Formalities Free of Charge

Such transfer will be effected without charge subject to (i) the person making such application for transfer paying or procuring the payment of any taxes, duties and other governmental charges in connection therewith, (ii) the Registrar being satisfied with the documents of title and/or identity of the person making the application and (iii) such reasonable regulations as the Issuer may from time to time agree with the Registrar and the Trustee (and as initially set out in the Agency Agreement).

(d) *Closed Periods*

Neither the Issuer nor the Registrar will be required to register the transfer of any Bond (i) during the period of 15 days ending on and including the day immediately prior to the Final Maturity Date or any earlier date fixed for redemption of the Bonds pursuant to Condition 7(b) or 7(c); (ii) in respect of which a Conversion Notice has been delivered in accordance with Condition 6(h); (iii) in respect of which a Bondholder has exercised its right to require redemption pursuant to Condition 7(e); or (iv) during the period of 15 days ending on (and including) any Record Date in respect of any payment of interest on the Bonds.

5. Interest

(a) *Interest Rate*

The Bonds bear interest from (and including) the Closing Date at the rate of 1.625 per cent. per annum calculated by reference to the principal amount thereof and payable semi-annually in arrear in equal instalments on 10 June and 10 December in each year (each an “**Interest Payment Date**”), commencing with the Interest Payment Date falling on 10 December 2021.

The amount of interest payable in respect of any period which is shorter than an Interest Period shall be calculated on the basis of (i) the number of days in the relevant period from (and including) the first day of such period to (but excluding) the last day of such period, divided by (ii) the product of (x) the number of days from (and including) the immediately preceding Interest Payment Date (or, if none, the Closing Date) to (but excluding) the next Interest Payment Date and (y) the number of Interest Periods normally ending in any year.

“**Interest Period**” means the period beginning on (and including) the Closing Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date.

(b) *Accrual of Interest*

Each Bond will cease to bear interest (i) where the Conversion Right shall have been exercised by a Bondholder, from the Interest Payment Date immediately preceding the relevant Conversion Date or, if none, the Closing Date (subject in any such case as provided in Condition 6(j)) or (ii) where such Bond is redeemed or repaid pursuant to Condition 7 or Condition 10, from the due date for redemption or repayment thereof unless payment of principal is improperly withheld or refused, in which event interest will continue to accrue at the rate specified in Condition 5(a) (both before and after judgment) up to, but excluding, the Relevant Date.

6. Conversion of Bonds

(a) *Conversion Period and Conversion Price*

Subject to and as provided in these Conditions, each Bond shall entitle the holder to convert the principal amount of such Bond (being £100,000) into new and/or existing Ordinary Shares (as determined by the Issuer), credited as fully paid (a “**Conversion Right**”).

The number of Ordinary Shares to be issued or transferred and delivered on exercise of a Conversion Right shall be equal to the Reference Shares in respect of such exercise.

The initial Conversion Price is £18.06 per Ordinary Share. The Conversion Price is subject to adjustment in the circumstances described in Condition 6(b). The expression “**Conversion Price**” shall be construed accordingly.

Subject to and as provided in these Conditions, the Conversion Right in respect of a Bond may be exercised, at the option of the holder thereof, at any time subject to any applicable fiscal or other laws or regulations and as hereinafter provided) from (and including) 10 June 2021 to (and including) the date falling 10 calendar days prior to the Final Maturity Date or, if such Bond is to be redeemed pursuant to Condition 7(b) or 7(c) prior to the Final Maturity Date, then up to (and including) the date falling 10 calendar days before the date fixed for redemption thereof pursuant to Condition 7(b) or 7(c), unless there shall be a default in making payment in respect of such Bond on any such date fixed for redemption, in which event the Conversion Right shall extend up to (and including) the date on which the full amount of such payment becomes available for payment and notice of such availability has been given to Bondholders or, if earlier, the Final Maturity Date; provided that, in each case, if such final date for the exercise of Conversion Rights is not a London business day, then the period for exercise of Conversion Rights by Bondholders shall end on (and including) the immediately preceding London business day.

Conversion Rights may not be exercised (i) following the giving of notice by the Trustee pursuant to Condition 10 that the Bonds are immediately due and payable or (ii) in respect of a Bond in respect of which the relevant Bondholder has exercised its right to require the Issuer to redeem that Bond pursuant to Condition 7(e).

Save in the circumstances described in Condition 6(j) in respect of any notice given by the Issuer pursuant to Condition 7(b) or 7(c), Conversion Rights may not be exercised by a Bondholder in circumstances where the relevant Conversion Date would fall during the period commencing on the Record Date in respect of any payment of interest on the Bonds and ending on the relevant Interest Payment Date (both days inclusive).

The period during which Conversion Rights may (subject as provided below) be exercised by a Bondholder is referred to as the “**Conversion Period**”.

Fractions of Ordinary Shares will not be issued or transferred and delivered on exercise of Conversion Rights or pursuant to Condition 6(c) and no cash payment or other adjustment will be made in lieu thereof. However, if the Conversion Right in respect of more than one Bond is exercised at any one time such that Ordinary Shares to be issued or transferred and delivered on conversion or pursuant to Condition 6(c) are to be registered in the same name, the number of such Ordinary Shares to be issued or transferred and delivered in respect thereof shall, in accordance with the definition of “Reference Shares”, be calculated by the Calculation Agent on the basis of the aggregate principal amount of such Bonds being so converted and rounded down to the nearest whole number of Ordinary Shares.

The Issuer will procure that Ordinary Shares to be issued or transferred and delivered on exercise of Conversion Rights will be issued or transferred and delivered to the holder of the Bonds completing the relevant Conversion Notice or his nominee as specified in the relevant Conversion Notice in accordance with the provisions of Condition 6(h). Such Ordinary Shares will be deemed to be issued or transferred and delivered as of the relevant Conversion Date. Any Additional Ordinary Shares to be issued or transferred and delivered pursuant to Condition 6(c) will be deemed to be issued or transferred and delivered as of the relevant Reference Date.

(b) *Adjustment of Conversion Price*

Upon the occurrence of any of the events described below, the Conversion Price shall be adjusted by the Calculation Agent as follows:

(i) *Consolidation, reclassification, redesignation or subdivision*

If and whenever there shall be a consolidation, reclassification, redesignation or subdivision affecting the number of Ordinary Shares in issue, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A}{B}$$

where:

A is the aggregate number of Ordinary Shares in issue immediately before such consolidation, reclassification, redesignation or subdivision, as the case may be; and

B is the aggregate number of Ordinary Shares in issue immediately after, and as a result of, such consolidation, reclassification, redesignation or subdivision, as the case may be.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b)(i), the date on which the consolidation, reclassification, redesignation or sub-division, as the case may be, takes effect.

(ii) *Capitalisation of profits or reserves*

If and whenever the Issuer shall issue any Ordinary Shares credited as fully paid to Shareholders by way of capitalisation of profits or reserves, including any share premium account or capital redemption reserve (other than an issue of Ordinary Shares constituting a Scrip Dividend) the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A}{B}$$

where:

A is the aggregate number of Ordinary Shares in issue immediately before such issue; and

B is the aggregate number of Ordinary Shares in issue immediately after such issue.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b)(ii), the date of issue of such Ordinary Shares.

(iii) *Dividends*

- (A) If and whenever the Issuer shall declare, announce, make or pay any Dividend to Shareholders, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A-B}{A}$$

where:

- A** is the Current Market Price of one Ordinary Share on the Ex-Date in respect of such Dividend; and
- B** is the portion of the Fair Market Value of the aggregate Dividend attributable to one Ordinary Share, with such portion being determined by dividing the Fair Market Value of the aggregate Dividend by the number of Ordinary Shares entitled to receive the relevant Dividend (or, in the case of a purchase, redemption or buy back of Ordinary Shares or any depositary or other receipts or certificates representing Ordinary Shares by or on behalf of the Issuer or any Subsidiary of the Issuer, by the number of Ordinary Shares in issue immediately following such purchase, redemption or buy back, and treating as not being in issue any Ordinary Shares, or any Ordinary Shares represented by depositary or other receipts or certificates, purchased, redeemed or bought back).

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b)(iii)(A), the later of (i) the Ex-Date in respect of such Dividend and (ii) the first date upon which the Fair Market Value of the relevant Dividend is capable of being determined as provided herein.

- (B) For the purposes of the above, Fair Market Value shall (subject as provided in the definition of “Dividend” and in the definition of “Fair Market Value”) be determined as at the Ex-Date in respect of the relevant Dividend.

(iv) *Rights issues*

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall issue any Ordinary Shares to Shareholders as a class by way of rights, or shall issue or grant to Shareholders as a class by way of rights, any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Ordinary Shares, or any other Securities which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, or the right to otherwise acquire, any Ordinary Shares (or shall grant any such rights in respect of existing Securities so issued), in each case at a consideration receivable per Ordinary Share (based, where appropriate, on such number of Ordinary Shares as is determined pursuant to the definition of “**C**” and the proviso below) which is less than 95 per cent. of the Current Market Price per Ordinary Share on the Ex-Date in respect

of the relevant issue or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A+B}{A+C}$$

where:

- A** is the number of Ordinary Shares in issue on such Ex-Date;
- B** is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the Ordinary Shares issued by way of rights, or for the Securities issued by way of rights and upon exercise of rights of conversion into, or exchange or subscription for, or the right to otherwise acquire, Ordinary Shares, or for the options or warrants or other rights issued by way of rights and for the total number of Ordinary Shares deliverable on the exercise thereof, would purchase at such Current Market Price per Ordinary Share; and
- C** is the number of Ordinary Shares to be issued or, as the case may be, the maximum number of Ordinary Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights or upon conversion or exchange or exercise of rights of subscription or purchase or other rights of acquisition in respect thereof at the initial conversion, exchange, subscription, purchase or acquisition price or rate;

provided that if on such Ex-Date such number of Ordinary Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time, then for the purposes of this paragraph (b)(iv), “C” shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at such Ex-Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on such Ex-Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b)(iv), the later of (i) the Ex-Date in respect of the relevant issue or grant and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (b)(iv).

(v) *Issue of Securities to Shareholders*

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall (other than in the circumstances the subject of paragraph (b)(iv) and other than constituting a Scrip Dividend) issue any Securities to Shareholders as a class by way of rights or grant to Shareholders as a class by way of rights any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Securities, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A - B}{A}$$

where:

A is the Current Market Price of one Ordinary Share on the Ex-Date in respect of the relevant issue or grant; and

B is the Fair Market Value on such Ex-Date of the portion of the rights attributable to one Ordinary Share.

Such adjustment shall become effective on the Effective Date.

“Effective Date” means, in respect of this paragraph (b)(v), the later of (i) the Ex-Date in respect of the relevant issue or grant and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (b)(v).

(vi) *Issue of Ordinary Shares at below Current Market Price*

If and whenever the Issuer shall issue (otherwise than as mentioned in paragraph (b)(iv) above) wholly for cash or for no consideration any Ordinary Shares (other than Ordinary Shares issued on conversion of the Bonds (which term shall for this purpose include any Further Bonds) or on the exercise of any rights of conversion into, or exchange or subscription for or purchase of, or rights to otherwise acquire, Ordinary Shares and other than constituting a Scrip Dividend) or if and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall issue or grant (otherwise than as mentioned in paragraph (b)(iv) above) wholly for cash or for no consideration any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Ordinary Shares (other than the Bonds, which term shall for this purpose include any Further Bonds), in each case at consideration receivable per Ordinary Share (based, where appropriate, on such number of Ordinary Shares as is determined pursuant to the definition of “C” and the proviso below) which is less than 95 per cent. of the Current Market Price per Ordinary Share on the date of first public announcement of the terms of such issue or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

A is the number of Ordinary Shares in issue immediately before the date of first public announcement of the terms of such issue of Ordinary Shares or issue or grant of options, warrants or other rights as provided above;

B is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the issue of such Ordinary Shares or, as the case may be, for the Ordinary Shares to be issued or otherwise made available

upon the exercise of any such options, warrants or rights, would purchase at such Current Market Price per Ordinary Share; and

C is the number of Ordinary Shares to be issued pursuant to such issue of such Ordinary Shares or, as the case may be, the maximum number of Ordinary Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights;

provided that if on the date of first public announcement of the terms of such issue or grant (as used in this paragraph (b)(vi), the “**Specified Date**”) such number of Ordinary Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time, then for the purposes of this paragraph (b)(vi), “**C**” shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase, acquisition had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b)(vi), the later of (i) the date of issue of such Ordinary Shares or, as the case may be, the issue or grant of such options, warrants or rights and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (b)(vi).

(vii) *Other issues*

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall (otherwise than as mentioned in paragraphs (b)(iv), (b)(v) or (b)(vi) above) issue wholly for cash or for no consideration any Securities (other than the Bonds which term shall for this purpose exclude any Further Bonds and other than constituting a Scrip Dividend) which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, purchase of, or rights to otherwise acquire, Ordinary Shares (or shall grant any such rights in respect of existing Securities so issued) or Securities which by their terms might be reclassified or redesignated as Ordinary Shares, and the consideration per Ordinary Share (based, where appropriate, on such number of Ordinary Shares as is determined pursuant to the definition of “**C**” and the proviso below) receivable upon conversion, exchange, subscription, purchase, acquisition, reclassification or redesignation is less than 95 per cent. of the Current Market Price per Ordinary Share on the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A** is the number of Ordinary Shares in issue immediately before the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant);
- B** is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the Ordinary Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription, purchase or acquisition attached to such Securities or, as the case may be, for the Ordinary Shares to be issued or to arise from any such reclassification or redesignation would purchase at such Current Market Price per Ordinary Share; and
- C** is the maximum number of Ordinary Shares to be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such right of subscription, purchase or acquisition attached thereto at the initial conversion, exchange, subscription, purchase or acquisition price or rate or, as the case may be, the maximum number of Ordinary Shares which may be issued or arise from any such reclassification or redesignation;

provided that if on the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant) (as used in this paragraph, the “**Specified Date**”) such number of Ordinary Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription, purchase or acquisition are exercised or, as the case may be, such Securities are reclassified or redesignated or at such other time as may be provided), then for the purposes of this paragraph (b)(vii), “**C**” shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase or acquisition, reclassification or, as the case may be, redesignation had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b)(vii), the later of (i) the date of issue of such Securities or, as the case may be, the grant of such rights and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (b)(vii).

(viii) *Modification of rights*

If and whenever there shall be any modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to any Securities (other than the Bonds, which term shall for this purpose include any Further Bonds) which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, or the right to otherwise acquire, any Ordinary Shares (other than in accordance with the terms (including terms as to adjustment) applicable to such Securities upon issue) so that following such modification the consideration per Ordinary Share (based, where appropriate, on such number of Ordinary Shares as is determined pursuant to the definition of “**C**” and the proviso below) receivable upon conversion, exchange, subscription, purchase or acquisition has been reduced and is less than 95 per cent. of the Current Market Price per Ordinary Share on the date of first public announcement of the terms for such modification, the Conversion Price shall be adjusted by

multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A+B}{A+C}$$

where:

- A** is the number of Ordinary Shares in issue immediately before the date of first public announcement of the terms for such modification;
- B** is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the Ordinary Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription, purchase or acquisition attached to the Securities so modified would purchase at such Current Market Price per Ordinary Share or, if lower, the existing conversion, exchange, subscription, purchase or acquisition price or rate of such Securities; and
- C** is the maximum number of Ordinary Shares which may be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such rights of subscription, purchase or acquisition attached thereto at the modified conversion, exchange, subscription, purchase or acquisition price or rate but giving credit in such manner as the Calculation Agent shall consider appropriate for any previous adjustment under this paragraph (b)(viii) or paragraph (b)(vii) above;

provided that if on the date of first public announcement of the terms of such modification (as used in this paragraph (b)(viii), the “**Specified Date**”) such number of Ordinary Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription, purchase or acquisition are exercised or at such other time as may be provided), then for the purposes of this paragraph (b)(viii), “**C**” shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b)(viii), the later of (i) the date of modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to such Securities and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (b)(viii).

(ix) *Certain arrangements*

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall offer any Ordinary Shares or such other Securities in connection with which Shareholders as a class are entitled to participate

in arrangements whereby such Ordinary Shares or Securities may be acquired by them (except where the Conversion Price falls to be adjusted under paragraphs (b)(ii), (b)(iii), (b)(iv), (b)(v), (b)(vi) or (b)(vii) above or (b)(x) below (or, where applicable, would fall to be so adjusted if the relevant issue or grant was at less than 95 per cent. of the Current Market Price per Ordinary Share on the relevant day), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A-B}{A}$$

where:

- A** is the Current Market Price of one Ordinary Share on the Ex-Date in respect of the relevant offer; and
- B** is the Fair Market Value on such Ex-Date of the portion of the relevant offer attributable to one Ordinary Share.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b)(ix), the later of (i) the Ex-Date in respect of the relevant offer and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (b)(ix).

(x) *Change of Control*

If a Change of Control shall occur, then upon any exercise of Conversion Rights where the Conversion Date falls:

- (a) during the Change of Control Period; or
- (b) on a date following the giving by the Issuer of an Optional Redemption Notice pursuant to Condition 7(b)(i) in circumstances where the precondition specified in Condition 7(b)(i) would not have been satisfied assuming (solely for the purpose of this paragraph (b)) that the Parity Value in respect of the relevant dealing days had been determined only on the basis of the Conversion Price in effect (but not using the Change of Control Conversion Price where applicable),

the Conversion Price solely for the purpose of such exercise (the “**Change of Control Conversion Price**”) shall be determined as set out below:

$$COCCP = \frac{OCP}{1+(CP \times \frac{C}{T})}$$

where:

- “**COCCP**” = means the Change of Control Conversion Price;
- “**OCP**” = means the Conversion Price in effect on the relevant Conversion Date;
- “**CP**” = means 40 per cent.;

“C” = means the number of calendar days from and including the date the Change of Control occurs to but excluding the Final Maturity Date; and

“T” = means the number of calendar days from and including the Closing Date to but excluding the Final Maturity Date.

(xi) *Other adjustments*

If the Issuer (following consultation with the Calculation Agent) determines that an adjustment should be made to the Conversion Price (or that a determination should be made as to whether an adjustment should be made) as a result of one or more circumstances not referred to above in this Condition 6(b) (even if the relevant circumstance is specifically excluded from the operation of paragraphs (b)(i) to (x) above), the Issuer shall, at its own expense and acting reasonably, request an Independent Adviser to determine, in consultation with the Calculation Agent, if different as soon as practicable what adjustment (if any) to the Conversion Price is fair and reasonable to take account thereof and the date on which such adjustment (if any) should take effect and upon such determination such adjustment (if any) shall be made and shall take effect in accordance with such determination, provided that an adjustment shall only be made pursuant to this paragraph (b)(xi) if such Independent Adviser is so requested to make such a determination not more than 21 days after the date on which the relevant circumstance arises and if the adjustment would result in a reduction to the Conversion Price.

(xii) *Modifications*

Notwithstanding the foregoing provisions:

(a) where the events or circumstances giving rise to any adjustment pursuant to this Condition 6(b) have already resulted or will result in an adjustment to the Conversion Price or where the events or circumstances giving rise to any adjustment arise by virtue of any other events or circumstances which have already given or will give rise to an adjustment to the Conversion Price or where more than one event which gives rise to an adjustment to the Conversion Price occurs within such a short period of time that in the opinion of the Issuer, following consultation with the Calculation Agent, a modification to the operation of the adjustment provisions is required to give the intended result, such modification shall be made to the operation of the adjustment provisions as may be determined in good faith by an Independent Adviser to be in its opinion appropriate to give the intended result;

(b) such modification shall be made to the operation of these Conditions as may be determined in good faith by an Independent Adviser, in consultation with the Calculation Agent (if different), to be in its opinion appropriate (i) to ensure that an adjustment to the Conversion Price or the economic effect thereof shall not be taken into account more than once and (ii) to ensure that the economic effect of a Dividend is not taken into account more than once; and

(c) other than pursuant to Condition 6(b)(i), no adjustment shall be made that would result in an increase to the Conversion Price.

(xiii) *Calculation of consideration*

For the purpose of any calculation of the consideration receivable or price pursuant to paragraphs (b)(iv), (b)(vi), (b)(vii) and (b)(viii), the following provisions shall apply:

- (a) the aggregate consideration receivable or price for Ordinary Shares issued for cash shall be the amount of such cash;
- (b) (x) the aggregate consideration receivable or price for Ordinary Shares to be issued or otherwise made available upon the conversion or exchange of any Securities shall be deemed to be the consideration or price received or receivable for any such Securities (whether on one or more occasions) and (y) the aggregate consideration receivable or price for Ordinary Shares to be issued or otherwise made available upon the exercise of rights of subscription attached to any Securities or upon the exercise of any options, warrants or rights shall be deemed to be that part (which may be the whole) of the consideration or price received or receivable for such Securities or, as the case may be, for such options, warrants or rights which are attributed by the Issuer to such rights of subscription or, as the case may be, such options, warrants or rights or, if no part of such consideration or price is so attributed, the Fair Market Value of such rights of subscription or, as the case may be, such options, warrants or rights as at the relevant Ex-Date referred to in paragraph (b)(iv) or as at the relevant date of first public announcement referred to in paragraph (b)(vi), (b)(vii) or (b)(viii), as the case may be, plus in the case of each of (x) and (y) above, the additional minimum consideration receivable or price (if any) upon the conversion or exchange of such Securities, or upon the exercise of such rights of subscription attached thereto or, as the case may be, upon exercise of such options, warrants or rights and (z) the consideration receivable or price per Ordinary Share upon the conversion or exchange of, or upon the exercise of such rights of subscription attached to, such Securities or, as the case may be, upon the exercise of such options, warrants or rights shall be the aggregate consideration or price referred to in (x) or (y) above (as the case may be) divided by the number of Ordinary Shares to be issued upon such conversion or exchange or exercise at the initial conversion, exchange or subscription price or rate, all as determined in good faith by the Calculation Agent;
- (c) if the consideration or price determined pursuant to (a) or (b) above (or any component thereof) shall be expressed in a currency other than the Relevant Currency (other than in circumstances where such consideration is also expressed in the Relevant Currency, in which case such consideration shall be treated as expressed in the Relevant Currency in an amount equal to the amount of such consideration when so expressed in the Relevant Currency), it shall be converted by the Calculation Agent into the Relevant Currency at the Prevailing Rate on the relevant Ex-Date (for the purposes of paragraph (b)(iv)) or the relevant date of first public announcement (for the purposes of paragraph (b)(vi), (vii) or (viii), as the case may be);
- (d) in determining the consideration or price pursuant to the above, no deduction shall be made for any commissions or fees (howsoever described) or any expenses paid or incurred for any underwriting, placing or management of the issue of the relevant Ordinary Shares or such other Securities or options, warrants or rights, or otherwise in connection therewith;
- (e) the consideration or price shall be determined as provided above on the basis of the consideration or price received, receivable, paid or payable, regardless

of whether all or part thereof is received, receivable, paid or payable by or to the Issuer or another entity;

- (f) if as part of the same transaction, Ordinary Shares shall be issued or issuable for a consideration receivable in more than one or in different currencies then the consideration receivable per Ordinary Share shall be determined by dividing the aggregate consideration (determined as aforesaid and converted, if and to the extent not in the Relevant Currency, into the Relevant Currency as aforesaid) by the aggregate number of Ordinary Shares so issued; and
- (g) references in these Conditions to “cash” shall be construed as cash consideration within the meaning of Section 583(3) of the Companies Act.

(c) *Retroactive Adjustments*

If a Retroactive Adjustment occurs in relation to any exercise of Conversion Rights, the Issuer shall procure that there shall be issued or transferred and delivered to the relevant Bondholder, in accordance with the instructions contained in the relevant Conversion Notice, such additional number of Ordinary Shares (if any) (the “**Additional Ordinary Shares**”) as, together with the Ordinary Shares issued or transferred and delivered on the relevant exercise of Conversion Rights, is equal to the number of Ordinary Shares which would have been required to be issued or transferred and delivered on such exercise if the relevant adjustment to the Conversion Price had been made and become effective immediately prior to the relevant Conversion Date, all as determined in good faith by the Calculation Agent or an Independent Adviser, provided that if in the case of Condition 6(b)(ii), 6(b)(iii), 6(b)(iv), 6(b)(v) or 6(b)(ix) the relevant Bondholder shall be entitled to receive the relevant Ordinary Shares, Dividends or such other Securities in respect of the Reference Shares to be issued or transferred and delivered to it, then no such Retroactive Adjustment shall be made in relation to the relevant event and the relevant Bondholder shall not be entitled to receive Additional Ordinary Shares in relation thereto.

(d) *Decision and Determination of the Calculation Agent or an Independent Adviser*

Adjustments to the Conversion Price shall be determined and calculated by the Calculation Agent upon request from the Issuer and/or, to the extent so specified in the Conditions and upon request from the Issuer, by an Independent Adviser.

Adjustments to the Conversion Price calculated by the Calculation Agent or, where applicable, an Independent Adviser and any other determinations made by the Calculation Agent or, where applicable, an Independent Adviser, or an opinion of an Independent Adviser, pursuant to these Conditions shall in each case be made in good faith and shall be final and binding (in the absence of manifest error) on the Issuer, the Trustee, the Bondholders, the Calculation Agent (in the case of a determination by an Independent Adviser) and the Paying, Transfer and Conversion Agents.

The Calculation Agent may consult, at the expense of the Issuer, on any matter (including, but not limited to, any legal matter), any legal or other professional adviser and it shall be able to rely upon, and it shall not be liable and shall incur no liability as against the Trustee, the Bondholders or the Paying, Transfer and Conversion Agents in respect of anything done, or omitted to be done, relating to that matter in good faith in accordance with that adviser’s opinion.

The Calculation Agent shall act solely upon the request from, and exclusively as agent of, the Issuer and in accordance with these Conditions. Neither the Calculation Agent (acting in such capacity) nor any Independent Adviser appointed in connection with the Bonds (acting in such capacity) will thereby assume any obligations towards or relationship of agency or trust and

shall not be liable and shall incur no liability in respect of anything done, or omitted to be done in good faith, in its capacity as Calculation Agent as against the Trustee, the Bondholders or the Paying, Transfer and Conversion Agents.

If following consultation between the Issuer and the Calculation Agent any doubt shall arise as to whether an adjustment falls to be made to the Conversion Price or as to the appropriate adjustment to the Conversion Price, following consultation between the Issuer and an Independent Adviser, a written opinion of such Independent Adviser in respect thereof shall be conclusive and binding on the Issuer, the Guarantors, the Bondholders, the Calculation Agent (if different) and the Trustee, save in the case of manifest error.

(e) *Share or Option Schemes, Dividend Reinvestment Plans*

No adjustment will be made to the Conversion Price where Ordinary Shares or other Securities (including, but not limited to, rights, warrants and options) are issued, offered, exercised, allotted, purchased, appropriated, modified or granted (i) to, or for the benefit of, employees or former employees (including directors holding or formerly holding executive office or non-executive office, consultants or former consultants, or the personal service company of any such person) or their spouses or relatives, in each case, of the Issuer or any of its Subsidiaries or any associated company or to a trustee or nominee to be held for the benefit of any such person, in any such case pursuant to any share or option or incentive scheme or (ii) pursuant to any dividend reinvestment plan or similar plan or scheme.

(f) *Rounding Down and Notice of Adjustment to the Conversion Price*

On any adjustment, the resultant Conversion Price, if not an integral multiple of £0.0001, shall be rounded down to the nearest whole multiple of £0.0001. No adjustment shall be made to the Conversion Price where such adjustment (rounded down if applicable) would be less than one per cent. of the Conversion Price then in effect. Any adjustment not required to be made and/or any amount by which the Conversion Price has been rounded down, shall be carried forward and taken into account in any subsequent adjustment, and such subsequent adjustment shall be made on the basis that the adjustment not required to be made had been made at the relevant time and/or, as the case may be, that the relevant rounding down had not been made.

Notice of any adjustments to the Conversion Price shall be given by the Issuer to Bondholders and to the Trustee promptly after the determination thereof.

The Conversion Price shall not in any event be reduced to below the nominal or par value of the Ordinary Shares or be reduced so that on conversion of the Bonds, Ordinary Shares would fall to be issued in circumstances not permitted by applicable laws or regulations. The Issuer undertakes that it shall not take any action, and shall procure that (other than as a result of Condition 6(b)(x)) no action is taken, that would otherwise result in an adjustment to the Conversion Price to below such nominal or par value or any minimum level permitted by applicable laws or regulations or that would otherwise result in Ordinary Shares being required to be issued or transferred and delivered in circumstances not permitted by applicable laws or regulations.

(g) *Change of Control*

Within 7 days following the occurrence of a Change of Control, the Issuer shall give notice thereof to Bondholders and to the Trustee (a "**Change of Control Notice**"). The Change of Control Notice shall contain a statement informing Bondholders of their entitlement to exercise their Conversion Rights as provided in these Conditions and their entitlement to exercise their rights to require redemption of their Bonds pursuant to Condition 7(e).

The Change of Control Notice shall also specify:

- (i) all information material to Bondholders concerning the Change of Control;
- (ii) the Conversion Price immediately prior to the occurrence of the Change of Control and the Change of Control Conversion Price applicable pursuant to Condition 6(b)(x) on the basis of the Conversion Price in effect immediately prior to the occurrence of the Change of Control (but, for the avoidance of doubt, if any other Conversion Price adjustment becomes effective during the Change of Control Period, any exercise of Conversion Rights where the relevant Conversion Date falls in the Change of Control Period shall be the Conversion Price prevailing on such Conversion Date, adjusted as provided in Condition 6(b)(x));
- (iii) the Closing Price of the Ordinary Shares as at the latest practicable date prior to the publication of the Change of Control Notice;
- (iv) the Change of Control Period;
- (v) the Change of Control Put Date; and
- (vi) such other information relating to the Change of Control as the Trustee may require.

The Trustee shall not be required to monitor or take any steps to ascertain whether a Change of Control or any event which could lead to a Change of Control has occurred or may occur and will not be responsible or liable to Bondholders or any other person for any loss arising from any delay or failure by it to do so.

(h) *Procedure for exercise of Conversion Rights*

Conversion Rights may be exercised by a Bondholder (provided that the relevant Conversion Date falls during the Conversion Period) by delivering the relevant Bond to the specified office of any Paying, Transfer and Conversion Agent, during its usual business hours, accompanied by a duly completed and signed notice of conversion (a “**Conversion Notice**”) in the form (for the time being current) obtainable from any Paying, Transfer and Conversion Agent. Conversion Rights shall be exercised subject in each case to any applicable fiscal or other laws or regulations applicable in the jurisdiction in which the specified office of the Paying, Transfer and Conversion Agent to whom the relevant Conversion Notice is delivered is located. A Conversion Notice can be deemed received by the Paying, Transfer and Conversion Agent if sent by electronic means.

If such delivery is made after the end of normal business hours or on a day which is not a business day in the place of the specified office of the relevant Paying, Transfer and Conversion Agent, such delivery shall be deemed for all purposes of these Conditions to have been made on the next following business day in such place.

Any determination as to whether any Conversion Notice has been duly completed and properly delivered shall be made by the relevant Paying, Transfer and Conversion Agent and shall, save in the case of manifest error, be conclusive and binding on the Issuer, the Guarantors, the Trustee, the Paying, Transfer and Conversion Agents and the relevant Bondholder.

Conversion Rights may only be exercised in respect of the whole of a Bond.

A Conversion Notice, once delivered, shall be irrevocable.

The conversion date in respect of a Bond (the “**Conversion Date**”) shall be the business day in London immediately following the date of the delivery (or deemed delivery) of the relevant Bond and the Conversion Notice as provided in this Condition 6(h) and shall be deemed to be the date on which the Conversion Right is exercised in respect of such Bond.

The Issuer (failing which, the Guarantors jointly and severally) shall pay all capital, stamp, issue and registration and transfer taxes and duties payable in the United Kingdom, or in any other jurisdiction in which the Issuer may be domiciled or resident or to whose taxing jurisdiction it may be generally subject (“**Specified Taxes**”), in respect of the issue or transfer and delivery of any Ordinary Shares in respect of the exercise of such Conversion Right (including any Additional Ordinary Shares). If the Issuer and the Guarantors fail to pay any Specified Taxes, the relevant Bondholder shall be entitled to tender and pay the same and the Issuer (failing which, the Guarantors jointly and severally), as a separate and independent stipulation, covenants to reimburse and indemnify each Bondholder in respect of any payment thereof and any interest and penalties payable in respect thereof.

A Bondholder exercising Conversion Rights must pay directly to the relevant authorities any capital, stamp, issue, registration and transfer taxes and duties arising on the exercise of Conversion Rights (other than any Specified Taxes). A Bondholder must also pay all, if any, taxes imposed on it and arising by reference to any disposal or deemed disposal by it of a Bond or interest therein in connection with the exercise of Conversion Rights by it. Any such capital, stamp, issue, registration or transfer taxes or duties or other taxes payable by a Bondholder are referred to as “**Bondholder Taxes**”.

Neither the Trustee, the Calculation Agent, the Registrar nor any Paying, Transfer and Conversion Agent shall be responsible for determining whether any Specified Taxes or Bondholder Taxes are payable or the amount thereof and shall not be responsible or liable for any failure by the Issuer and the Guarantors to pay such Specified Taxes or by a Bondholder to pay such Bondholder Taxes.

Ordinary Shares to be issued or transferred and delivered on exercise of Conversion Rights (including any Additional Ordinary Shares) will be issued or delivered in uncertificated form through the dematerialised securities trading system operated by Euroclear UK & Ireland Limited, known as CREST, unless, at the time of issue, the Ordinary Shares are not a participating security in CREST, in which case the Ordinary Shares will be issued or delivered in certificated form.

Where Ordinary Shares are to be issued or delivered through CREST, they will be delivered to the account specified by the relevant Bondholder in the relevant Conversion Notice by not later than 7 London business days following the relevant Conversion Date (or, in the case of any Additional Ordinary Shares, not later than 7 London business days following the relevant Reference Date). Where Ordinary Shares are to be issued or delivered in certificated form, a certificate in respect thereof will be dispatched by mail free of charge (but uninsured and at the risk of the recipient) to the relevant Bondholder or as it may direct in the relevant Conversion Notice within 28 days following the relevant Conversion Date or, as the case may be, the Reference Date.

Ordinary Shares (including any Additional Ordinary Shares) to be issued or transferred and delivered on exercise of Conversion Rights will not be available for issue or transfer and delivery (i) to, or to a nominee or agent for, Euroclear Bank SA/NV or Clearstream Banking S.A. or any other person providing a clearance service within the meaning of Section 96 of the Finance Act 1986 of the United Kingdom (“**FA 1986**”) or (ii) to a person, or nominee or agent for a person, whose business is or includes issuing depositary receipts within the meaning of Section 93 of FA 1986.

Notwithstanding any other provisions of these Conditions, a Bondholder exercising Conversion Rights following a Change of Control Conversion Right Amendment as described in Condition 11(b)(vii) will be deemed, for the purposes of these Conditions, to have received the Ordinary Shares to be issued or transferred and delivered arising on conversion of its Bonds in the manner provided in these Conditions, and have exchanged such Ordinary Shares for the consideration that it would have received therefor if it had exercised its Conversion Right in respect of such Bonds at the time of the occurrence of the relevant Change of Control.

(i) *Ranking and entitlement in respect of Ordinary Shares*

Ordinary Shares (including any Additional Ordinary Shares) issued or transferred and delivered on exercise of Conversion Rights will be fully paid and will in all respects rank *pari passu* with the fully paid Ordinary Shares in issue on the relevant Conversion Date or, in the case of Additional Ordinary Shares, on the relevant Reference Date, and the relevant holder shall be entitled to all rights, distribution or payments the record date or other due date for the establishment of entitlement for which falls on or after the relevant Conversion Date, or as the case may be, the relevant Reference Date, except in any such case for any right excluded by mandatory provisions of applicable law or as otherwise may be provided in these Conditions. Such Ordinary Shares or, as the case may be, Additional Ordinary Shares will not rank for (or, as the case may be, the relevant holder shall not be entitled to receive) any rights, distributions or payments the record date or other due date for the establishment of entitlement for which falls prior to the relevant Conversion Date or, as the case may be, the relevant Reference Date.

(j) *Interest on Conversion*

Save as provided below, no payment or adjustment shall be made on exercise of Conversion Rights for any interest which otherwise would have accrued on the relevant Bonds since the last Interest Payment Date preceding the Conversion Date relating to such Bonds (or, if such Conversion Date falls before the first Interest Payment Date, since the Closing Date).

If any notice requiring the redemption of the Bonds is given pursuant to Condition 7(b) or 7(c) on or after the fifteenth London business day prior to a record date or other due date for establishment of entitlement which has occurred since the last Interest Payment Date (or in the case of the first Interest Period, since the Closing Date) in respect of any Dividend or distribution payable in respect of the Ordinary Shares where such notice specifies a date for redemption falling on or prior to the date which is 14 days after the Interest Payment Date next following such record date or other due date for establishment of entitlement, interest shall accrue at the rate provided in Condition 5(a) on Bonds in respect of which Conversion Rights shall have been exercised and in respect of which the Conversion Date falls after such record date or other due date for establishment of entitlement and on or prior to the Interest Payment Date next following such record date in respect of such Dividend or distribution, in each case from and including the preceding Interest Payment Date (or, if such Conversion Date falls before the first Interest Payment Date, from the Closing Date) to but excluding such Conversion Date.

The Issuer shall pay any such interest by not later than 14 days after the relevant Conversion Date by transfer to a sterling account with a bank in London in accordance with instructions given by the relevant Bondholder in the relevant Conversion Notice.

(k) *Purchase or Redemption of Ordinary Shares*

The Issuer or any Subsidiary of the Issuer may exercise such rights as they may from time to time enjoy to purchase or redeem or buy back any shares of the Issuer (including Ordinary Shares) or any depositary or other receipts or certificates representing the same without the consent of the Bondholders.

(l) *No Duty to Monitor*

The Trustee, the Calculation Agent, the Registrar and the Paying, Transfer and Conversion Agents shall not be under any duty to monitor whether any event or circumstance has happened or exists or may happen or exist and which requires or may require an adjustment to be made to the Conversion Price or be responsible or liable to any person for any loss arising from any failure by any of them to do so. The Trustee, the Calculation Agent, the Registrar and the Paying, Transfer and Conversion Agents shall also not be responsible or liable to any person (other than in the case of the Calculation Agent, to the Issuer and the Guarantors strictly in accordance with the relevant provisions of the Calculation Agency Agreement) for any determination as to whether or not an adjustment to the Conversion Price is required or should be made or for any determination or calculation of any such adjustment.

(m) *Consolidation, Amalgamation or Merger*

Without prejudice to Condition 6(b)(x), in the case of any consolidation, amalgamation or merger of the Issuer with any other corporation (other than constituting a Change of Control or a consolidation, amalgamation or merger in which the Issuer is the continuing corporation) (a “**Successor in Business**”), the Issuer will forthwith give notice thereof to Bondholders and to the Trustee of such event and will take such steps as shall be required, subject to applicable law and as provided in the Trust Deed (including the execution of a deed supplemental to or amending the Trust Deed):

- (i) to ensure that the Successor in Business is substituted in place of the Issuer as the principal debtor under the Bonds and the Trust Deed;
- (ii) to ensure that each Bond then outstanding will (during the period in which Conversion Rights may be exercised) be convertible into equity share capital (or similar) of the Successor in Business, on such basis and with a Conversion Price (subject to adjustment as provided in these Conditions) economically equivalent to the Conversion Price existing immediately prior to the implementation of such consolidation, amalgamation or merger, as determined in good faith by an Independent Adviser (each a “**Conversion Right Transfer**”); and
- (iii) to ensure that the Trust Deed (as so amended or supplemented if applicable) and the Conditions provide at least the same or equivalent powers, protections, rights and benefits to the Trustee and the Bondholders following the implementation of such consolidation, amalgamation or merger as they provided to the Trustee and the Bondholders prior to the implementation of such consolidation, amalgamation or merger, *mutatis mutandis*.

The satisfaction of the requirements set out in subparagraphs (i), (ii) and (iii) of this Condition 6(m) by the Issuer is herein referred to as a “**Permitted Cessation of Business**”.

Notwithstanding any other provision of these Conditions, a Permitted Cessation of Business shall not result in a breach of undertaking, constitute an Event of Default or otherwise result in any breach of any provision of these Conditions or the Trust Deed.

Following the occurrence of a Permitted Cessation of Business, references in these Conditions, the Trust Deed and the Agency Agreement to the “Issuer” will be construed as references to the relevant Successor in Business.

At the request of the Issuer, but subject to the Issuer’s compliance with the provisions of subparagraph (i), (ii) and (iii) of this Condition 6(m), the Trustee shall (at the expense of the

Issuer), without the requirement for any consent or approval of the Bondholders, be obliged to concur with the Issuer in effecting any substitution under subparagraph (i) above and Conversion Right Transfer (including, *inter alia*, the execution of a deed supplemental to or amending the Trust Deed), provided that the Trustee shall not be obliged so to concur if in the opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Trustee in these Conditions, the Trust Deed or the Agency Agreement (including, for the avoidance of doubt, any supplemental trust deed or supplemental agency agreement) in any way.

If, following consultation with the Calculation Agent, any doubt shall arise as to how determinations, calculations or adjustments which are specifically required to be performed by the Calculation Agent in these Conditions should be performed following any such consolidation, amalgamation or merger, a written opinion of an Independent Adviser in respect thereof shall be conclusive and binding on the Successor in Business, the Issuer, the Guarantors, the Trustee, the Bondholders, the Calculation Agent and all other parties, save in the case of manifest error.

The above provisions of this Condition 6(m) will apply, *mutatis mutandis*, to any subsequent consolidations, amalgamation or mergers.

7. Redemption and Purchase

(a) Final Redemption

Unless previously purchased and cancelled, redeemed or converted as herein provided, the Bonds will be redeemed at their principal amount on the Final Maturity Date. The Bonds may only be redeemed at the option of the Issuer prior to the Final Maturity Date in accordance with Condition 7(b) or 7(c) and may only be redeemed at the option of Bondholders prior to the Final Maturity Date in accordance with Condition 7(e).

(b) Redemption at the Option of the Issuer

Subject as provided in Condition 7(d), on giving not less than 30 nor more than 60 calendar days' notice (an "**Optional Redemption Notice**") to Bondholders and to the Trustee, the Issuer may redeem all but not some only of the Bonds on the date (the "**Optional Redemption Date**") specified in the Optional Redemption Notice at their principal amount, together with accrued but unpaid interest up to (but excluding) the Optional Redemption Date:

- (i) on any date falling on or after 1 July 2024 (the "**First Call Date**"), if the Parity Value on each of at least 20 dealing days in any period of 30 consecutive dealing days ending no more than 5 London business days prior to the giving of the relevant Optional Redemption Notice shall have exceeded £130,000, as verified by the Calculation Agent upon request by the Issuer; or
- (ii) at any time if, prior to the date the relevant Optional Redemption Notice is given, Conversion Rights shall have been exercised and/or purchases (and corresponding cancellations) and/or redemptions effected in respect of 85 per cent. or more in principal amount of the Bonds originally issued (which shall for this purpose include any Further Bonds issued prior to the date the Optional Redemption Notice is given).

On the Optional Redemption Date, the Issuer shall redeem the Bonds at their principal amount, together with accrued interest up to (but excluding) the Optional Redemption Date.

(c) *Redemption for Taxation Reasons*

Subject as provided in Condition 7(d), and provided that the Bonds have been (and remain) “listed on a recognised stock exchange” (as such term is defined in Section 1005 of the Income Tax Act 2007) (the “**ITA 2007**”) or admitted to trading on a “multilateral trading facility” operated by a regulated recognised stock exchange (within the meaning of Sections 987 and 1005 of ITA 2007) the Issuer may, having given not less than 30 nor more than 60 calendar days’ notice (a “**Tax Redemption Notice**”) to the Bondholders redeem (subject as provided below in this Condition 7(c)) all (but not some only) of the Bonds for the time being outstanding on the date (the “**Tax Redemption Date**”) specified in the Tax Redemption Notice at their principal amount, together with accrued but unpaid interest up to (but excluding) the Tax Redemption Date, if the Issuer satisfies the Trustee immediately prior to the giving of such notice that:

- (i) the Issuer or (only in circumstances where the relevant payment cannot be made in full by the Issuer and/or by one or more Guarantor(s) who are not required to pay any such additional amounts) any Guarantor has or will become obliged to pay additional amounts in respect of payments of interest on the Bonds pursuant to Condition 9 as a result of any change in, or amendment to, the laws or regulations of a relevant Tax Jurisdiction, or any change in the general application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after 3 June 2021; and
- (ii) such obligation cannot be avoided by the Issuer (or, as the case may be, the relevant Guarantor) taking reasonable measures available to it,

provided that no Tax Redemption Notice shall be given earlier than 90 days prior to the earliest date on which the Issuer or, as the case may be, the relevant Guarantor would be obliged to pay such additional amounts were a payment in respect of the Bonds then due.

Prior to the publication of any Tax Redemption Notice, the Issuer shall deliver to the Trustee:

- (a) a certificate signed by two authorised signatories of the Issuer stating that the obligation referred to in (i) above has arisen and cannot be avoided by the Issuer or, as the case may be, the relevant Guarantor taking reasonable measures available to it; and
- (b) one or more opinions of independent legal or tax advisers of recognised international standing (which may be addressed to the Issuer and/or the relevant Guarantor) to the effect that such change or amendment has occurred and that the Issuer or, as the case may be, the relevant Guarantor has or will be obliged to pay such additional amounts as a result thereof (irrespective of whether such amendment or change is then effective),

and the Trustee shall be entitled to accept such certificate and opinion(s) (without any liability for so doing) as sufficient evidence of the matters set out in (i) and (ii) above, such acceptance to be conclusive and binding on the Bondholders.

On the Tax Redemption Date, the Issuer shall (subject to the next following paragraph) redeem the Bonds at their principal amount, together with accrued interest up to (but excluding) the Tax Redemption Date.

If the Issuer gives a Tax Redemption Notice, each Bondholder will have the right to elect that its Bonds shall not be redeemed pursuant to such Tax Redemption Notice and that the provisions of Condition 9 requiring the Issuer and the Guarantors to pay additional amounts shall not apply in respect of any payment to be made on such Bonds which falls due after the relevant Tax

Redemption Date, whereupon no additional amounts shall be payable in respect thereof pursuant to Condition 9 and payment of all amounts on such Bonds (including under the Guarantee) shall be made subject to the deduction or withholding of any taxation in the relevant Tax Jurisdiction as is required to be withheld or deducted. To exercise such right, the holder of the relevant Bond must complete, sign and deposit at the specified office of any Paying, Transfer and Conversion Agent a duly completed and signed notice of election, in the form for the time being current, obtainable from the specified office of any Paying, Transfer and Conversion Agent, together with the relevant Bonds, on or before the day falling 10 calendar days prior to the Tax Redemption Date. Any Bond so deposited shall be returned by the relevant Paying, Transfer and Conversion Agent to the relevant Bondholder on the Tax Redemption Date endorsed to reflect the election made by such Bondholder by uninsured post to, and at the risk of, the relevant Bondholder.

References in this Condition 7(c) to a Tax Jurisdiction shall be deemed also to refer to any jurisdiction in respect of which any undertaking or covenant equivalent to that in Condition 9 is given pursuant to the Trust Deed, (except that as regards such jurisdiction the words “becomes effective on or after 3 June 2021” in Condition 7(c)(i) above shall be replaced with the words “becomes effective after, and has not been announced on or before, the date on which any undertaking or covenant equivalent to that in Condition 9 was given pursuant to the Trust Deed”) and references in this Condition 7(c) to additional amounts payable under Condition 9 shall be deemed also to refer to additional amounts payable under any such undertaking or covenant.

(d) *Optional Redemption and Tax Redemption Notices*

The Issuer shall not give an Optional Redemption Notice or Tax Redemption Notice at any time during a Change of Control Period or an Offer Period or which specifies a date for redemption falling in a Change of Control Period or an Offer Period or the period of 14 days following the end of an Offer Period (whether or not the relevant notice was given prior to or during such Change of Control Period or Offer Period), and any such notice shall be invalid and of no effect (whether or not given prior to the relevant Change of Control Period or Offer Period) and the relevant redemption shall not be made.

Any Optional Redemption Notice or Tax Redemption Notice shall be irrevocable. Any such notice shall specify (i) the Optional Redemption Date or, as the case may be, the Tax Redemption Date, which shall be a London business day, (ii) the Conversion Price, the aggregate principal amount of the Bonds outstanding and the Closing Price of the Ordinary Shares, in each case as at the latest practicable date prior to the publication of the Optional Redemption Notice or, as the case may be, the Tax Redemption Notice and (iii) the last day on which Conversion Rights may be exercised by Bondholders.

“**Offer Period**” means (i) any period commencing on the date of first public announcement of an offer or tender (howsoever described) by any person or persons in respect of all or a majority of the issued and outstanding Ordinary Shares and ending on the date that offer or tender ceases to be open for acceptance or, if earlier, on which that offer or tender lapses or terminates or is withdrawn or (ii) any period commencing on the date of first public announcement of a Scheme of Arrangement relating to the acquisition of all or a majority of the issued and outstanding Ordinary Shares and ending on the date such Scheme of Arrangement is or becomes effective or, if earlier, the date such Scheme of Arrangement is cancelled or terminated or (iii) the period during which the Issuer is stated as being in an offer period on the Takeover Panel’s Disclosure Table on the Takeover Panel’s website.

(e) *Redemption at the Option of Bondholders*

Following the occurrence of a Change of Control, the holder of each Bond will have the right to require the Issuer to redeem that Bond on the Change of Control Put Date at its principal amount, together with accrued and unpaid interest up to (but excluding) the Change of Control Put Date. To exercise such right, the holder of the relevant Bond must deliver such Bond to the specified office of any Paying, Transfer and Conversion Agent, together with a duly completed and signed notice of exercise in the form for the time being current obtainable from the specified office of any Paying, Transfer and Conversion Agent (a “**Change of Control Put Exercise Notice**”), at any time during the Change of Control Period.

The “**Change of Control Put Date**” shall be the fourteenth London business day after the expiry of the Change of Control Period.

Payment in respect of any such Bond shall be made by transfer to a sterling account with a bank in London as specified by the relevant Bondholder in the relevant Change of Control Put Exercise Notice.

A Change of Control Put Exercise Notice, once delivered, shall be irrevocable and the Issuer shall redeem all Bonds the subject of Change of Control Put Exercise Notices delivered as aforesaid on the Change of Control Put Date.

(f) *Purchase*

Subject to the requirements (if any) of any stock exchange on which the Bonds may be admitted to listing and trading at the relevant time and subject to compliance with applicable laws and regulations, the Issuer, the Guarantors or any other Subsidiary of the Issuer may at any time purchase any Bonds in the open market or otherwise at any price. Such Bonds may be held, resold or reissued or, at the option of the Issuer, surrendered to the Principal Paying, Transfer and Conversion Agent for cancellation.

(g) *Cancellation*

All Bonds which are redeemed or in respect of which Conversion Rights are exercised will be cancelled and may not be reissued or resold. Bonds purchased by the Issuer, a Guarantor or any of the Issuer’s other Subsidiaries may be surrendered to the Principal Paying, Transfer and Conversion Agent for cancellation and if so surrendered shall be cancelled and may not be reissued or re-sold.

(h) *Multiple Notices*

If more than one notice of redemption is given pursuant to this Condition 7, the first of such notices to be given shall prevail, save that a notice given pursuant to Condition 7(e) shall prevail over a notice given pursuant to Condition 7(b) or (c) in circumstances where the Change of Control Put Date falls prior to the Optional Redemption Date or Tax Redemption Date, as the case may be.

8. **Payments**

(a) *Principal*

Payment of principal and interest in respect of the Bonds will be made to the persons shown in the Register at the close of business on the Record Date.

(b) *Other amounts*

Payments of all amounts other than as provided in Condition 8(a) will be made as provided in these Conditions.

(c) *Record Date*

“**Record Date**” means the fifth business day, in the place of the specified office of the Registrar, before the due date for the relevant payment.

(d) *Payments*

Each payment in respect of the Bonds pursuant to Condition 8(a) and (b) will be made by transfer to a sterling account maintained by the payee with a bank in London.

(e) *Payments subject to fiscal laws*

All payments in respect of the Bonds are subject in all cases to (i) any applicable fiscal or other laws and regulations, but without prejudice to Condition 9; and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”), or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder or official interpretations thereof (“**FATCA**”) or any law implementing an intergovernmental approach to FATCA. No commissions or expenses shall be charged to Bondholders in respect of such payments.

(f) *Delay in payment*

Bondholders will not be entitled to any interest or other payment for any delay after the due date in receiving the amount due as a result of the due date not being a business day.

(g) *Paying, Transfer and Conversion Agents, etc.*

The initial Paying, Transfer and Conversion Agents and Registrar and their initial specified offices are listed below. The Issuer and the Guarantors reserve the right under the Agency Agreement at any time, with the prior written approval of the Trustee, to vary or terminate the appointment of any Paying, Transfer and Conversion Agent or the Registrar and appoint additional or other Paying, Transfer and Conversion Agents or another Registrar, provided that the Issuer and the Guarantors will at all times maintain a Principal Paying, Transfer and Conversion Agent and a Registrar. Notice of any change in the Paying, Transfer and Conversion Agents or the Registrar or their specified offices will promptly be given by the Issuer to Bondholders.

The Issuer and the Guarantors reserve the right, subject to the prior approval of the Trustee, under the Calculation Agency Agreement at any time to vary or terminate the appointment of the Calculation Agent and appoint another Calculation Agent, provided that they will maintain a Calculation Agent which shall be a financial institution of international repute or an independent adviser with appropriate expertise. Notice of any change in the Calculation Agent will promptly be given by the Issuer to Bondholders in accordance with Condition 17.

(h) *No charges*

Neither the Registrar nor any of the Paying, Transfer and Conversion Agents shall make or impose on a Bondholder any charge or commission in relation to any payment, transfer or conversion in respect of the Bonds.

(i) *Fractions*

When making payments to Bondholders, if the relevant payment is not of an amount which is a whole multiple of the smallest unit of the relevant currency in which such payment is to be made, such payment will be rounded down to the nearest unit.

The Bonds on issue will be represented by a global bond (the “Global Bond”) held by, and registered in the name of a nominee for, a common depository for Euroclear Bank SA/NV (“Euroclear”) and Clearstream Banking S.A. (“Clearstream, Luxembourg”). All payments in respect of Bonds represented by the Global Bond will be made to, or to the order of, the person whose name is entered in the Register at the close of business on the Clearing System Business Day immediately prior to the date of payment, where “Clearing System Business Day” means Monday to Friday inclusive except 25 December and 1 January.

9. Taxation

All payments made by or on behalf of the Issuer or any Guarantor in respect of the Bonds will be made free and clear of, and without deduction or withholding for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of any Tax Jurisdiction, unless deduction or withholding of such taxes, duties, assessments or governmental charges is required to be made by law.

If any such withholding or deduction is required to be made, the Issuer or, as the case may be, the relevant Guarantor (failing which, the Guarantors jointly and severally) will pay such additional amounts as will result in the receipt by the Bondholders of the amounts which would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of interest on any Bond to a Bondholder (or to a third party on behalf of a Bondholder) which is subject to such taxes, duties, assessments or governmental charges in respect of such Bond by reason of having some connection with the relevant Tax Jurisdiction otherwise than merely by holding the Bond or by the receipt of amounts in respect of the Bond.

“Tax Jurisdiction” means:

- (i) in respect of the Issuer and each of the Initial Guarantors, the United Kingdom or any political subdivision therein or any authority therein or thereof having power to tax; and
- (ii) in respect of any Additional Guarantor, the jurisdiction in which such Guarantor is tax resident or any political subdivision therein or any authority therein or thereof having power to tax.

References in these Conditions to principal and/or interest and/or any other amounts payable in respect of the Bonds shall be deemed also to refer to any additional amounts which may be payable under this Condition or any undertaking or covenant given in addition thereto or in substitution therefor pursuant to the Trust Deed.

The provisions of this Condition 9 shall not apply in respect of any payments of interest which fall due after the relevant Tax Redemption Date in respect of any Bonds which are the subject of a Bondholder election pursuant to Condition 7(c).

Notwithstanding any other provision of these Conditions, in no event will the Issuer or any Guarantor be required to pay any additional amounts in respect of the Bonds for, or on account of, any withholding or deduction required pursuant to FATCA (including pursuant to any agreement described in Section 1471(b) of the Code) or any law implementing an intergovernmental approach to FATCA.

Where a withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature is imposed or levied by or on behalf of the United Kingdom or any political subdivision or any authority thereof or therein having power to tax, the exclusions in the second paragraph of this Condition 9 shall only apply if the Bonds have been (and remain) listed on a recognised stock exchange (as such term is defined in Section 1005 of ITA 2007) or admitted to trading on a “multilateral trading facility” operated by a UK or EEA-regulated recognised stock exchange (within the meaning of Sections 987 and 1005 of the ITA 2007).

10. Events of Default

If any of the following events (together, where applicable, with certification by the Trustee as provided below, each an “**Event of Default**”) occurs and is continuing, the Trustee at its discretion may, and if so requested by the holders of at least one-quarter in principal amount of the Bonds then outstanding or if so directed by an Extraordinary Resolution shall, (provided in each case that it is indemnified and/or secured and/or prefunded to its satisfaction) give notice to the Issuer and the Guarantors that the Bonds are, and they shall accordingly immediately become, due and repayable at their principal amount together with accrued interest (if any) to the date of payment:

- (a) the Issuer and the Guarantors fail to pay the principal of, any interest on or any other amount on or in respect of any of the Bonds when due and such failure continues for a period of seven days in the case of a failure to pay any principal and 14 days in the case of a failure to pay interest or other amounts (other than principal); or
- (b) the Issuer fails to deliver Ordinary Shares (including any Additional Ordinary Shares) following any exercise of Conversion Rights and such failure continues for seven days;
- (c) the Issuer or any Guarantor does not perform or comply with any one or more of its other obligations in the Bonds or the Trust Deed or if any event occurs or any action is taken or failed to be taken which is (or but for the provisions of any applicable law would be) a breach of any such obligation, and which failure or breach is incapable of remedy or, if in the reasonable opinion of the Trustee capable of remedy, is not in the reasonable opinion of the Trustee remedied within 30 days (or such longer period as the Trustee may permit) after notice of such failure or breach shall have been received by the Issuer and/or the relevant Guarantor from the Trustee requiring the same to be remedied;
- (d) it is or will become unlawful for the Issuer or any Guarantor to perform or comply with any one or more of its obligations under any of the Bonds;
- (e)
 - (i) any other present or future indebtedness of the Issuer, any Guarantor, any Material Subsidiary or SAF SPV for or in respect of moneys borrowed is not paid when due nor within any originally applicable grace period; or
 - (ii) any other present or future indebtedness of the Issuer, any Guarantor, any Material Subsidiary or SAF SPV for or in respect of moneys borrowed is declared to be or otherwise becomes due and payable prior to its specified maturity as a result of an event of default (however described); or
 - (iii) any commitment for any indebtedness for or in respect of moneys borrowed of the Issuer, any Guarantor, any Material Subsidiary or SAF SPV is cancelled or suspended by a creditor of the Issuer, any Guarantor, any Material Subsidiary or SAF SPV as a result of an event of default (however described); or
 - (iv) any creditor of the Issuer, any Guarantor, any Material Subsidiary or SAF SPV becomes entitled to declare any indebtedness for or in respect of moneys borrowed of the Issuer, any Guarantor, any Material Subsidiary or SAF SPV due and payable prior to its specified maturity as a result of an event of default (however described)

provided that the aggregate amount of the relevant indebtedness, guarantees and indemnities in respect of which one or more of the events mentioned above in this Condition 10(e) have occurred equals or exceeds £20,000,000 (or its equivalent in any other currency or currencies);

- (f) any expropriation, attachment, sequestration, distress or execution or other analogous legal process in any jurisdiction is levied, enforced or sued out on or against all or any part of the property, assets or revenues of the Issuer or any Guarantor with a value, individually or in the aggregate, in excess of £20,000,000 or its equivalent and is not discharged within 45 days;
- (g) any mortgage, charge, pledge, lien or other security interest or encumbrance, present or future, created or assumed by the Issuer or any Guarantor, over assets with a value, individually or in the aggregate, in excess of £5,000,000 or its equivalent, becomes enforceable and any step is taken to enforce it (including the taking of possession or the appointment of a receiver, administrative receiver, administrator, manager or other similar person) and is not discharged within 45 days;
- (h) the Issuer or any Guarantor is (or is deemed by law or a court to be) insolvent or bankrupt or unable to pay its debts, stops, suspends or threatens to stop or suspend payment of all or a material part of (or of a particular type of) its debts, proposes or makes a general assignment or an arrangement or composition with or for the benefit of the relevant creditors in respect of any of such debts or a moratorium is agreed or declared or comes into effect in respect of or affecting all or any part of (or of a particular type of) the debts of the Issuer or any Guarantor; or
- (i) an administrator is appointed, an order is made or an effective resolution passed for the winding-up or dissolution or administration of the Issuer or any Guarantor (and such order is not discharged within 28 London business days), or the Issuer or any Guarantor ceases or threatens to cease to carry on all or substantially all of its business, except in any such case (i) as a result of a Permitted Cessation of Business, or (ii) for the purpose of and followed by a reconstruction, amalgamation, reorganisation, merger or consolidation (A) on terms approved by the Trustee or by an Extraordinary Resolution of the Bondholders, or (B) in the case of a Guarantor, whereby the undertaking and assets of the Guarantor are transferred to or otherwise vested in the Issuer or another Subsidiary of the Issuer; or
- (j) a final judgment or judgments for the payment of moneys individually or in aggregate in excess of £5,000,000 or its equivalent are rendered against the Issuer or any Guarantor and which judgments are not, within 45 days after entry thereof, bonded, discharged or stayed pending appeal, or are not discharged within 45 days after the expiration of such stay; or
- (k) the Guarantee by any Guarantor is not (or is claimed by any Guarantor not to be) in full force and effect (but without prejudice to valid release of a Guarantor from the Guarantee pursuant to and in accordance with Condition 1(d)(iv)); or
- (l) any event occurs which under the laws of any relevant jurisdiction has an analogous effect to any of the events referred to in any of the foregoing paragraphs,

provided that, in the case of Conditions 10(c) or (d) above (or Condition 10(l) as it relates to those Conditions), the Trustee shall have certified to the Issuer and the Guarantors that such Event of Default is in its opinion materially prejudicial to the interests of the holders of the Bonds.

11. Undertakings

Whilst any Conversion Right remains exercisable, the Issuer will, save with the approval of an Extraordinary Resolution or with the prior written approval of the Trustee where, in its opinion, it is not materially prejudicial to the interests of the Bondholders to give such approval:

(a) not issue or pay up any Securities, in either case by way of capitalisation of profits or reserves, other than:

- (i) pursuant to a Scheme of Arrangement involving a reduction and cancellation of Ordinary Shares and the issue to Shareholders of an equal number of Ordinary Shares by way of capitalisation of profits or reserves; or
- (ii) pursuant to or in connection with a Newco Scheme; or
- (iii) by the issue of fully paid Ordinary Shares or other Securities to Shareholders and other holders of shares in the capital of the Issuer which by their terms entitle the holders thereof to receive Ordinary Shares or other Securities on a capitalisation of profits or reserves; or
- (iv) by the issue of fully paid Ordinary Shares, issued wholly, ignoring fractional entitlements, in lieu of the whole or part of a Dividend in cash; or
- (v) by the issue of Ordinary Shares or any equity share capital to, or for the benefit of, employees or former employees, director or executive holding or formerly holding executive office (including directors holding or formerly holding executive office or non-executive office, consultants or former consultants or the personal service company of any such person) or their spouses or relatives, in each case of the Issuer or any of its Subsidiaries or any associated company or to a trustee or nominee to be held for the benefit of any such person, in any such case pursuant to an employee, contractor, director or executive share or option or incentive scheme whether for all employees, contractors, directors or executives or any one or more of them,

((i) to (v) above each being a “**Permitted Issue**”), unless, in any such case, the same constitutes a Dividend or otherwise falls to be taken into account for a determination as to whether an adjustment is to be made to the Conversion Price pursuant to Condition 6(b), regardless of whether in fact an adjustment falls to be made in respect of the relevant capitalisation, gives rise (or would, but for the provisions of Condition 6(f) relating to roundings and minimum adjustments or the carry forward of adjustments, give rise) to an adjustment to the Conversion Price;

(b) not modify the rights attaching to the Ordinary Shares with respect to voting, dividends or liquidation nor issue any other class of equity share capital carrying any rights which are more favourable than the rights attaching to the Ordinary Shares but so that nothing in this Condition 11(b) shall prevent:

- (i) any consolidation, reclassification, redesignation or subdivision of the Ordinary Shares; or
- (ii) any modification of such rights which is not, in the opinion of an Independent Adviser acting in good faith, materially prejudicial to the interests of the holders of the Bonds; or
- (iii) any issue of equity share capital where the issue of such equity share capital results, or would, but for the provisions of Condition 6(f) relating to roundings and minimum adjustments or the carry forward of adjustments or, where comprising Ordinary Shares, the fact that the consideration per Ordinary Share receivable therefor is at least 95 per cent. of the Current Market Price per Ordinary Share at the relevant time for determination thereof pursuant to the relevant provisions of Condition 6(b), otherwise result, in an adjustment to the Conversion Price; or

- (iv) without prejudice to any rule of law or legislation (including regulations made under Sections 783, 784(3), 785 and 788 of the Companies Act or any other provision of that or any other legislation), the conversion of Ordinary Shares into, or the issue of any Ordinary Shares in, uncertificated form (or the conversion of Ordinary Shares in uncertificated form to certificated form) or the amendment of the Articles of Association of the Issuer to enable title to securities (including Ordinary Shares) to be evidenced and transferred without a written instrument or any other alteration to the Articles of Association of the Issuer made in connection with the matters described in this Condition 11(b) or which is supplemental or incidental to any of the foregoing (including any amendment made to enable or facilitate procedures relating to such matters and any amendment dealing with the rights and obligations of holders of Securities, including Ordinary Shares, dealt with under such procedures); or
 - (v) any issue of equity share capital or modification of rights attaching to the Ordinary Shares, where prior thereto the Issuer shall have instructed an Independent Adviser to determine what (if any) adjustments should be made to the Conversion Price as being fair and reasonable to take account thereof and such Independent Adviser shall have determined in good faith either that no adjustment is required or that an adjustment resulting in a decrease in the Conversion Price is required and, if so, the new Conversion Price as a result thereof and the basis upon which such adjustment is to be made and, in any such case, the date on which the adjustment shall take effect (and so that the adjustment shall be made and shall take effect accordingly); or
 - (vi) any alteration to the Articles of Association made in connection with the matters described in this Condition 11 or which is supplemental or incidental to any of the foregoing (including any amendment made to enable or facilitate procedures relating to such matters and any amendment dealing with the rights and obligations of holders of Securities, including Ordinary Shares, dealt with under such procedures); or
 - (vii) any amendment of the Articles of Association of the Issuer following or in connection with a Change of Control to ensure that any Bondholder exercising Conversion Rights where the Conversion Date falls on or after the occurrence of a Change of Control will receive, in whatever manner, the same consideration for the Ordinary Shares arising on such exercise as it would have received in respect of any Ordinary Shares had such Ordinary Shares been entitled to participate in the relevant Scheme of Arrangement or to have been submitted into, and accepted pursuant to, the relevant offer or tender (a “**Change of Control Conversion Right Amendment**”); or
 - (viii) a Permitted Issue;
- (c) except as part of or in connection with or pursuant to any employee, contractor, director or executive share or option or incentive scheme (whether for all employees, contractors, directors or executives or any one or more of them), procure that no Securities (whether issued by the Issuer or any Subsidiary of the Issuer or procured by the Issuer or any Subsidiary of the Issuer to be issued or issued by any other person pursuant to any arrangement with the Issuer or any Subsidiary of the Issuer) issued without rights to convert into, or exchange or subscribe for, Ordinary Shares shall subsequently be granted such rights exercisable at a consideration per Ordinary Share which is less than 95 per cent. of the Current Market Price per Ordinary Share at the relevant time for determination thereof pursuant to the relevant provisions of Condition 6(b) unless the same gives rise (or would, but for the provisions of Condition 6(f) relating to roundings and minimum adjustments or the carry forward of adjustments, give rise) to an adjustment to the Conversion Price and that at no time shall there be in issue Ordinary Shares of differing nominal values, save where such Ordinary Shares have the same economic rights;

- (d) not make any issue, grant or distribution or take or omit to take any other action if the effect thereof would be that, on the exercise of Conversion Rights, Ordinary Shares could not, under any applicable law then in effect, be legally issued as fully paid;
- (e) not reduce its issued share capital, share premium account, or any uncalled liability in respect thereof, or any non-distributable reserves, except:
 - (i) pursuant to the terms of issue of the relevant share capital; or
 - (ii) by means of a purchase or redemption of share capital of the Issuer to the extent permitted by applicable law; or
 - (iii) where the reduction does not involve any distribution of assets to Shareholders; or
 - (iv) solely in relation to a change in the currency in which the nominal value of the Ordinary Shares is expressed; or
 - (v) to create distributable reserves (to which, in respect of any such creation of distributable reserves, the Trustee will be deemed to have irrevocably given its consent (without any liability for so doing) prior to such creation of distributable reserves occurring and, to the extent that express consent is required, the Bondholders authorise and direct the Trustee to give its consent (without any liability for so doing and without any further authorisation or sanction of Bondholders) to such creation of distributable reserves); or
 - (vi) pursuant to a Scheme of Arrangement involving a reduction and cancellation of Ordinary Shares and the issue to Shareholders of an equal number of Ordinary Shares by way of capitalisation of profits or reserves; or
 - (vii) as provided in Condition 11(a)(iii); or
 - (viii) pursuant to a Newco Scheme; or
 - (ix) by way of transfer to reserves as permitted under applicable law; or
 - (x) where the reduction is permitted by applicable law and the Trustee is advised by an Independent Adviser, acting as an expert and in good faith, that in its opinion the interests of the Bondholders will not be materially prejudiced by such reduction; or
 - (xi) where the reduction is permitted by applicable law and results (or, in the case of a reduction in connection with a Change of Control, will result) in (or would, but for the provisions of Condition 6(f) relating to roundings or the carry forward of adjustments, result in) an adjustment to the Conversion Price or is (or, in the case of a reduction in connection with a Change of Control, will be) otherwise taken into account for the purposes of determining whether such an adjustment should be made; or
 - (xii) as permitted by Section 610(2) and (3) of the Companies Act; or
 - (xiii) a reduction of its share premium account to facilitate the writing off of goodwill arising on consolidation which requires the confirmation of the High Court and which does not involve the return, either directly or indirectly, of an amount standing to the credit of the share premium account of the Issuer and in respect of which the Issuer shall have tendered to the High Court such undertaking as it may require prohibiting, so long as any of the Bonds remains outstanding, the distribution (except by way of capitalisation

issue) of any reserve which may arise in the books of the Issuer as a result of such reduction,

provided that, without prejudice to the other provisions of these Conditions, the Issuer may exercise such rights as it may from time to time be entitled pursuant to applicable law to purchase, redeem or buy back its Ordinary Shares and any depositary or other receipts or certificates representing Ordinary Shares without the consent of Bondholders;

- (f) if any offer is made to all (or as nearly as may be practicable all) Shareholders (or all (or as nearly as may be practicable all) Shareholders other than the offeror and/or any associates (as defined in Section 988(1) of the Companies Act) of the offeror to acquire the whole or any part of the issued Ordinary Shares, or if any person proposes a scheme with regard to such acquisition (other than a Newco Scheme), give notice of such offer or scheme to the Trustee and the Bondholders at the same time as any notice thereof is sent to the Shareholders (or as soon as practicable thereafter) that details concerning such offer or scheme may be obtained from the specified offices of the Paying, Transfer and Conversion Agents and, where such an offer or scheme has been recommended by the board of directors of the Issuer, or where such an offer has become or been declared unconditional in all respects or such scheme has become effective, use all reasonable endeavours to procure that a like offer or scheme is extended to Bondholders and to the holders of any Ordinary Shares issued during the period of the offer or scheme arising out of the exercise of the Conversion Rights pursuant to these Conditions (which like offer or scheme to Bondholders shall entitle Bondholders to receive the same type and amount of consideration they would have received had they held the number of Ordinary Shares to which such Bondholders would be entitled assuming Bondholders were to exercise their Conversion Rights in the relevant Change of Control Period);
- (g) in the event of a Newco Scheme, take (or shall procure that there is taken) all necessary action to ensure that (to the satisfaction of the Trustee) immediately after completion of the Scheme of Arrangement:
- (1) at the Issuer's option, either (a) Newco is substituted under the Bonds and the Trust Deed as principal obligor in place of the Issuer (with the Issuer providing a guarantee on a joint and several basis with the Guarantors) subject to and as provided in the Trust Deed; or (b) Newco becomes a guarantor under the Bonds and the Trust Deed (such guarantee to be a payment and performance guarantee and to be provided on a joint and several basis with the Guarantors);
 - (2) such amendments are made to these Conditions and the Trust Deed as are necessary, in the opinion of the Trustee, to ensure that the Bonds may be converted into or exchanged for cash and/or ordinary shares or units or the equivalent in Newco (or depositary or other receipts or certificates representing ordinary shares or units or the equivalent in Newco) *mutatis mutandis* in accordance with and subject to these Conditions with a Conversion Price (subject to adjustment as provided in these Conditions) economically equivalent to the Conversion Price immediately prior to the implementation of such amendments, as determined in good faith by an Independent Adviser;
 - (3) the ordinary shares or units or equivalent of Newco (or depositary or other receipts or certificates representing ordinary shares or units or equivalents of Newco) are: (I) admitted to trading on AIM or admitted to the Official List of the Financial Conduct Authority and admitted to trading on the London Stock Exchange's Regulated Market; or (II) admitted to listing on another regulated, regularly operating, recognised stock exchange or securities market as determined by Newco; and
 - (4) the Trust Deed and the Conditions provide at least the same or equivalent powers, protections, rights and benefits to the Trustee and the Bondholders following the

implementation of such Newco Scheme as they provided to the Trustee and the Bondholders prior to the implementation of the Newco Scheme, *mutatis mutandis*,

and the Trustee shall (at the expense of the Issuer and subject to the satisfaction of the conditions set out in (1) to (4) above) be obliged to concur in effecting such substitution or grant of such guarantee and in either case making any such amendments, provided that the Trustee shall not be obliged so to concur if, in the opinion of the Trustee, doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Trustee in these Conditions, the Trust Deed or the Agency Agreement (including, for the avoidance of doubt, any supplemental trust deed or supplemental agency agreement) in any way;

- (h) use all reasonable endeavours to ensure that the Ordinary Shares issued upon exercise of Conversion Rights will, as soon as is practicable, be admitted to listing and to trading on the Relevant Stock Exchange and will be listed, quoted or dealt in, as soon as is practicable, on any other stock exchange or securities market on which the Ordinary Shares may then be listed or quoted or dealt in (but so that this undertaking shall be considered as not being breached as a result of a Change of Control (whether or not recommended or approved by the board of directors of the Issuer) that causes or gives rise to, whether following the operation of any applicable compulsory acquisition provision or otherwise, (including at the request of the person or persons controlling the Issuer as a result of the Change of Control) a de-listing of the Ordinary Shares);
- (i) use all reasonable endeavours to ensure, at its own cost, that its issued and outstanding Ordinary Shares remain (or are) admitted to listing on a regulated, regularly operating, recognised stock exchange or securities market (but so that this undertaking shall be considered as not being breached as a result of a Change of Control (whether or not recommended or approved by the board of directors of the Issuer) that causes or gives rise to, whether following the operation of any applicable compulsory acquisition provision or otherwise, (including at the request of the person or persons controlling the Issuer as a result of the Change of Control) a de-listing of the Ordinary Shares);
- (j) procure that neither the Issuer nor any Guarantor shall become domiciled or resident in or subject generally to the taxing authority of any jurisdiction (other than the Tax Jurisdiction applicable to it) unless it would not thereafter be required, pursuant to then-current laws and regulations, to withhold or deduct for or on account of any taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of such jurisdiction or any applicable sub-division thereof or therein having power to tax in respect of any payment on or in respect of the Bonds;
- (k) at all times keep available sufficient allotment authority in respect of Ordinary Shares to enable the exercise of Conversion Rights in respect of all the Bonds (including any Further Bonds) then outstanding and all other rights of subscription and exchange for Ordinary Shares, to be satisfied in full;
- (l) use all reasonable endeavours to obtain, by not later than the first Interest Payment Date, a listing of the Bonds on a “recognised stock exchange” (within the meaning of Section 1005 of ITA 2007) or their admission to trading on a “multilateral trading facility” operated by a UK or EEA-regulated recognised stock exchange (within the meaning of Sections 987 and 1005 of ITA 2007) and thereafter maintain such listing or admission to trading provided that if the Issuer determines in good faith that it can no longer comply with its requirements for such listing or admission to trading, having used all reasonable endeavours, or if the maintenance of such listing or admission to trading is unduly onerous, the Issuer will instead use all reasonable endeavours to obtain and maintain a listing on such other “recognised stock exchange” (as such term is defined in Section 1005 of ITA 2007) or an admission to trading of the Bonds on such “multilateral trading facility” operated by a UK or EEA-regulated recognised stock exchange (within the meaning of Sections 987 and 1005 of ITA 2007) as the Issuer may in good faith determine; and

- (m) by no later than the tenth London business day following the Closing Date (i) publish a copy of these Conditions (including a legend regarding the intended target market for the Bonds) on its website and (ii) thereafter (and for so long as any Bond remains outstanding) maintain the availability of these Conditions (as the same may be amended in accordance with their terms) on such website.

The Issuer and each Guarantor has undertaken in the Trust Deed to deliver to the Trustee annually and otherwise on request by the Trustee a certificate signed by two authorised signatories of the Issuer or the relevant Guarantor, as applicable, as to there not having occurred an Event of Default, Potential Event of Default or breach of the Trust Deed since the date of the last such certificate (or, in the case of the first such certificate, the date of the Trust Deed) or if such event or breach has occurred as to the details of such event or breach and the Trustee will be entitled to rely (without further enquiry and without liability to any person) on each such certificate. The Trustee shall not be obliged to independently monitor compliance by the Issuer and the Guarantors with the undertakings set forth in this Condition 11 nor be liable to any person for not so doing.

12. Prescription

Claims against the Issuer and the Guarantors for payment in respect of the Bonds shall be prescribed and become void unless made within 10 years (in the case of principal or any other amount (other than interest)) or five years (in the case of interest) from the appropriate Relevant Date in respect of such payment.

Claims in respect of any other obligation in respect of the Bonds, including delivery of Ordinary Shares, shall be prescribed and become void unless made within 10 years following the due date for performance of the relevant obligations.

13. Replacement of Bonds

If any Bond is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of any Paying, Transfer and Conversion Agent subject to all applicable laws and stock exchange requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, indemnity and otherwise as the Issuer may reasonably require. Mutilated or defaced Bonds must be surrendered before replacements will be issued.

14. Meetings of Bondholders, Modification and Waiver, Substitution

(a) Meetings of Bondholders

The Trust Deed contains provisions for convening meetings of Bondholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by the Issuer, any Guarantor or (subject to the Trustee being indemnified and/or secured and/or prefunded to its satisfaction) the Trustee and shall be convened by the Issuer if requested in writing by Bondholders holding not less than 10 per cent. in principal amount of the Bonds for the time being outstanding.

Any such meeting may be convened at a physical location, or using such other method (which may include, without limitation, a conference call or video conference) as the Trustee may determine in accordance with the provisions of the Trust Deed.

The quorum for any meeting convened to consider an Extraordinary Resolution will be one or more persons holding or representing more than one-half in principal amount of the Bonds for the time being outstanding, or at any adjourned meeting one or more persons being or representing Bondholders whatever the principal amount of the Bonds so held or represented,

unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to change the Final Maturity Date, the First Call Date (other than deferring the First Call Date) or any dates for payment of interest or any other amount in respect of the Bonds, (ii) to modify the circumstances in which the Issuer or Bondholders are entitled to redeem the Bonds pursuant to Condition 7(b), (c) or (e) (other than removing the right of the Issuer to redeem the Bonds pursuant to Condition 7(b) or (c)), (iii) to reduce or cancel the principal amount of, or interest on, the Bonds or to reduce the amount payable on redemption of the Bonds, (iv) to modify the basis for calculating the interest or any other amount payable in respect of the Bonds, (v) to modify the provisions relating to, or cancel, the Conversion Rights or the rights of Bondholders to receive Ordinary Shares upon exercise of Conversion Rights pursuant to these Conditions (other than pursuant to or as a result of any amendments to these Conditions and the Trust Deed made pursuant to and in accordance with the provisions of Condition 6(m) in order to effect a Conversion Right Transfer or Condition 11(g) following or as part of a Newco Scheme (“**Newco Scheme Modification**”) or in connection with a substitution effected in accordance with Condition 14(c)), and other than a reduction to the Conversion Price or an increase in the number of Ordinary Shares to be issued on exercise of Conversion Rights), (vi) to increase the Conversion Price (other than in accordance with these Conditions or pursuant to a Newco Scheme Modification), (vii) to change the currency of the denomination of the Bonds or of any payment in respect of the Bonds, (viii) to change the governing law of the Bonds, the Trust Deed or the Agency Agreement (other than in the case of a substitution of the Issuer (or any previous substitute or substitutes) under Condition 14(c)), (ix) to modify the provisions concerning the quorum required at any meeting of Bondholders or the majority required to pass an Extraordinary Resolution, or (x) to modify or cancel the Guarantee provided by the Guarantors pursuant to the Trust Deed and these Conditions (other than accession of a new guarantor and/or release of an existing guarantor each in accordance with these Conditions), in which case the necessary quorum will be one or more persons holding or representing not less than two-thirds, or at any adjourned meeting not less than one-third, in principal amount of the Bonds for the time being outstanding. Any Extraordinary Resolution duly passed by the Bondholders shall be binding on all Bondholders (whether or not they were present at any meeting at which such resolution was passed and whether or not they voted on such resolution).

The Trust Deed provides that (i) a resolution in writing signed by or on behalf of the holders of not less than 75 per cent. of the aggregate principal amount of the Bonds outstanding (which may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Bondholders) or (ii) a consent given by way of electronic consent through the relevant clearing system(s) (in a form satisfactory to the Trustee) by or on behalf of the holders of not less than 75 per cent. of the aggregate principal amount of the Bonds outstanding, shall, in any such case, be effective as an Extraordinary Resolution passed at a meeting of Bondholders duly convened and held or (iii) a meeting of Bondholders may be held electronically in accordance with the procedures set out in the Trust Deed.

No consent or approval of Bondholders shall be required in connection with any Conversion Right Transfer or any Newco Scheme Modification.

(b) *Modification and Waiver*

The Trustee may agree, without the consent of the Bondholders, to:

- (i) any modification of any of the provisions of the Trust Deed, any trust deed supplemental to the Trust Deed, the Agency Agreement, any agreement supplemental to the Agency Agreement, the Bonds or these Conditions which in the Trustee’s opinion is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of law; and

- (ii) any other modification to the Trust Deed, any trust deed supplemental to the Trust Deed, the Agency Agreement, any agreement supplemental to the Agency Agreement, the Bonds or these Conditions (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach of any of the provisions of the Trust Deed, any trust deed supplemental to the Trust Deed, the Agency Agreement, any agreement supplemental to the Agency Agreement, the Bonds or these Conditions which is, in the opinion of the Trustee, not materially prejudicial to the interests of the Bondholders.

The Trustee may, without the consent of the Bondholders, determine that any Event of Default or a Potential Event of Default should not be treated as such, provided that, in the opinion of the Trustee, the interests of Bondholders are not materially prejudiced thereby.

Any such modification, authorisation, waiver or determination shall be binding on the Bondholders and shall be notified to Bondholders as soon as practicable.

(c) *Substitution*

The Trustee shall (subject as provided in Condition 11(g)), without the consent of the Bondholders, agree to any substitution as provided in, and for the purposes of, Condition 11(g) in connection with a Newco Scheme.

The Trustee shall (subject as provided in Condition 6(m)), without the consent of the Bondholders, agree to any substitution as provided in, and for the purposes of, Condition 6(m) in connection with a Permitted Cessation of Business.

In addition, the Trustee may agree, without the consent of the Bondholders, to the substitution in place of the Issuer (or any previous substitute or substitutes under this Condition) as the principal debtor under the Bonds and the Trust Deed of any Subsidiary of the Issuer, subject to:

- (i) the Bonds being unconditionally and irrevocably guaranteed by the Issuer;
- (ii) the Guarantee by each Guarantor immediately prior to such Substitution (except, if the substitute issuer is one such Guarantor, that Guarantor) remaining in full force and effect following such substitution (but without prejudice to the release of any Guarantor in accordance with Condition 1(d)(iv)); and
- (iii) the Bonds continuing to be convertible or exchangeable into Ordinary Shares *mutatis mutandis* as provided in these Conditions with such amendments as the Trustee shall consider appropriate,

and provided that (x) the Trustee is satisfied that the interests of the Bondholders are not materially prejudiced by the substitution, and (y) certain other conditions set out in the Trust Deed are complied with.

In the case of such a substitution the Trustee may agree, without the consent of the Bondholders, to a change of the law governing the Bonds and/or the Trust Deed provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Bondholders. Any such substitution shall be binding on the Bondholders and shall be notified to Bondholders as soon as practicable.

(d) *Entitlement of the Trustee*

In connection with the exercise of its functions (including but not limited to those referred to in this Condition) the Trustee shall have regard to the interests of the Bondholders as a class but

shall not have regard to any interests arising from circumstances particular to individual Bondholders (whatever their number) and, in particular but without limitation, shall not have regard to the consequences of the exercise of its trusts, powers or discretions for individual Bondholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory, and the Trustee shall not be entitled to require, nor shall any Bondholder be entitled to claim, from the Issuer, any Guarantor or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Bondholders, except to the extent provided for in these Conditions or the Trust Deed.

15. Enforcement

The Trustee may at any time, at its discretion and without notice, take such proceedings, actions or steps (including lodging an appeal in any proceedings) against the Issuer and the Guarantors (or any of them) as it may think fit to enforce the provisions of the Trust Deed and the Bonds, but it shall not be bound to take any such proceedings, actions or steps, or any other action under or pursuant to the Trust Deed (except where otherwise expressly provided) unless (i) it shall have been so directed by an Extraordinary Resolution of the Bondholders or so requested in writing by the holders of at least one-quarter in principal amount of the Bonds then outstanding, and (ii) it shall have been indemnified and/or secured and/or prefunded to its satisfaction. Notwithstanding the above:

- (i) the Trustee may refrain from taking any proceedings, actions or steps in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion be contrary to any law of that jurisdiction; and
- (ii) the Trustee may refrain from taking any proceedings, actions or steps in any jurisdiction if in its opinion it would or may render it liable to any person in that jurisdiction or, it would or may not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction or if it is determined by any court or other competent authority in that jurisdiction that it does not have such power.

No Bondholder shall be entitled to (i) take any proceedings, actions or steps against the Issuer or any Guarantor to enforce the performance of any of the provisions of the Trust Deed or the Bonds or (ii) take any other proceedings, actions or steps (including lodging an appeal in any proceedings) in respect of or concerning the Issuer or any Guarantor, in each case unless the Trustee, having become bound so to take any such proceedings, actions or steps, fails or is unable so to do within a reasonable period and the failure or inability shall be continuing.

16. The Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including:

- (i) provisions relieving it from taking any proceedings, actions or steps unless indemnified and/or secured and/or prefunded to its satisfaction; and
- (ii) provisions limiting or excluding its liability in certain circumstances.

The Trustee is entitled to enter into business transactions with the Issuer and any of the Guarantors and any entity related to the Issuer and any of the Guarantors without accounting for any profit.

The Trust Deed provides that, when determining whether an indemnity or any security or pre-funding is satisfactory to it, the Trustee shall be entitled (i) to evaluate its risk in any given circumstance by considering the worst-case scenario and (ii) to require that any indemnity or security or prefunding given

to it by the Bondholders or any of them be given on a joint and several basis and be supported by evidence satisfactory to it as to the financial standing and creditworthiness of each counterparty and/or as to the value of the security and an opinion as to the capacity, power and authority of each counterparty and/or the validity and effectiveness of the security.

The Trustee may act and rely without liability to Bondholders and without further investigation on a report, confirmation, certificate, opinion or any advice of any accountants, financial advisers, financial institution, an Independent Adviser or other expert, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or any other person or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to act and rely on any such report, confirmation, certificate, opinion or advice and such report, confirmation, certificate, opinion or advice shall be binding on the Issuer, the Guarantors, the Trustee and the Bondholders.

17. Notices

All notices required to be given to Bondholders pursuant to the Conditions will (unless otherwise provided in these Conditions) be given by publication through the electronic communication system of Bloomberg. The Issuer shall also ensure that all notices are duly published (if such publication is required) in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Bonds are for the time being listed and/or admitted to trading. Any such notice shall be deemed to have been given on the date of such publication or if required to be published in more than one manner or at different times, then such notice shall be deemed to have been given on the date of the publication in each required manner and time. If publication as provided above is not practicable, notice will be given in such other manner, and shall be deemed to be given on such date, as the Trustee may approve.

The Issuer shall send a copy of all notices given by it to Bondholders (or a Bondholder) or the Trustee pursuant to these Conditions simultaneously to the Principal Paying, Transfer and Conversion Agent and the Calculation Agent.

For so long as the Bonds are represented by a Global Bond held by, and registered in the name of a nominee for, a common depositary for Euroclear and Clearstream, Luxembourg, notices required to be given to Bondholders pursuant to the Conditions shall be given by the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg, as the case may be, for onward transmission to the Bondholders via such clearing systems. Any such notice shall be deemed to have been given on the day on which such notice is delivered to Euroclear and/or Clearstream, Luxembourg.

18. Further Issues

The Issuer may from time to time without the consent of the Bondholders create and issue further notes, bonds or debentures either having the same terms and conditions in all respects as the outstanding notes, bonds or debentures of any series (including the Bonds) or in all respects except for the first payment of interest on them and the first date on which Conversion Rights may be exercised and so that such further issue shall be consolidated and form a single series with the outstanding notes, bonds or debentures of any series (including the Bonds) or upon such terms as to interest, conversion, premium, redemption and otherwise as the Issuer may determine at the time of their issue.

Any further notes, bonds or debentures forming a single series with the outstanding notes, bonds or debentures of any series (including the Bonds) constituted by the Trust Deed or any deed supplemental to it shall, and any other notes, bonds or debentures may, with the consent of the Trustee, be constituted by a deed supplemental to the Trust Deed.

The Trust Deed contains provisions for convening a single meeting of the Bondholders and the holders of notes, bonds or debentures of other series in certain circumstances where the Trustee so decides.

19. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Bonds under the Contracts (Rights of Third Parties) Act 1999.

20. Governing Law and Jurisdiction

(a) Governing Law

The Trust Deed, the Agency Agreement and the Bonds and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law.

(b) Jurisdiction

The courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed or the Bonds and accordingly any legal action or proceedings arising out of or in connection with the Trust Deed or the Bonds (“**Proceedings**”) may be brought in such courts. Each of the Issuer and the Guarantors has in the Trust Deed irrevocably submitted to the jurisdiction of such courts and has waived any objection to Proceedings in such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of the Trustee and each of the Bondholders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).
