Voting instructions:

1. As a member of the Company, you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at a general meeting of the Company.
2. A proxy does not need to be a member of the Company but must attend the meeting to represent you. To appoint as your proxy a person other than the Chairman of the meeting, insert their full name in the space provided on your proxy form. If you sign and return your proxy form with no name inserted in the space, the Chairman of the meeting will be deemed to be your proxy. Where you appoint as your proxy someone other than the Chairman, you are responsible for ensuring that they attend the meeting and are aware of your voting intentions. If you wish your proxy to make any comments on your behalf, you will need to appoint someone other than the Chairman and give them the relevant instructions directly.
3. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. In the event of a conflict between a blank proxy form and a proxy form which states the number of shares to which it applies, the specific proxy form shall be counted first, regardless of whether it was sent or received before or after the blank proxy form, and any remaining shares in respect of which you are the registered holder will be apportioned to the blank proxy form. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy you must complete a separate proxy form for each proxy. Members can copy their original proxy form.
4. The return of a completed proxy form does not preclude you from attending the meeting and voting in person (subject to any Covid-19 restrictions or Government guidance which may apply in relation to in-person attendance at general meetings). If you have appointed a proxy and attend the meeting in person, your proxy appointment will automatically be terminated.
5. To direct your proxy how to vote on the resolutions, mark the appropriate box on your proxy form with an 'X'. To abstain from voting on a resolution, select the relevant "Vote withheld" box. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.
6. To be valid, any hard copy proxy form, or other instrument appointing a proxy, must be completed and signed and sent or delivered to Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds, LS1 4DL. Proxies may also be submitted electronically using the link www.signalshares.com and we encourage you to use this if possible. You will need to log into your Signal Shares account, or register if you have not previously done so. To register you will need your Investor Code, which is detailed on your share certificate or available from our Registrar, Link Group. Proxy appointments must be received by Link Group no later than 9:30 am on 31 August 2021 (or, in the case of an adjournment, by the time 48 hours before the time appointed for the adjourned meeting (excluding non-working days)). CREST members can appoint a proxy by utilising the CREST electronic proxy appointment service (see note 7 below).
7. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual on the Euroclear website (www.euroclear.com/CREST). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID number RA 10) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

- 8. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority shall be determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).*
- 9. In the case of a member which is a company, your proxy form must be executed under its common seal or signed on its behalf by a duly authorised officer of the company or an attorney for the company.*
- 10. Any power of attorney or any other authority under which your proxy form is signed (or a duly certified copy of such power or authority) must be included with your proxy form.*
- 11. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.*
- 12. You may not use any electronic address provided in your proxy form or this notice of AGM to communicate with the Company for any purposes other than those expressly stated.*
- 13. Only those members entered on the register of members of the Company at 6:30 pm on 31 August 2021 or, in the event that this meeting is adjourned, in the register of members as at 6:30 pm on the business day two days before the date of any adjourned meeting, shall be entitled to have their voted counted at the meeting in respect of the number of ordinary shares registered in their names at that time. Changes to the entries on the register of members after 6:30 pm on 31 August 2021 or, in the event that this meeting is adjourned, in the register of members after 6:30 pm on the business day two days before the date of the adjourned meeting, shall be disregarded in determining the rights of any person to have their vote counted at the meeting.*
- 14. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.*
- 15. Copies of the Directors' service contracts and letters of appointment are available for inspection at the registered office of the Company during normal business hours on any business day and will be available at the place of the meeting from 9:15 am until its conclusion.*

EXPLANATORY NOTES

Resolutions 1 to 6 inclusive will be proposed as ordinary resolutions and Resolutions 7 and 8 will be proposed as special resolutions at the 2021 Annual General Meeting (the “AGM”). The Directors consider that these resolutions are in the best interests of the Company and shareholders as a whole, and unanimously recommend that you vote in favour of them, as they intend to do in respect of their own shareholdings.

Resolution 1 – Annual reports and accounts

The Directors are required to present to shareholders at the AGM the Annual Report and Accounts for the financial period ended 31 March 2021 together with the Directors’ and Auditor’s reports on such accounts.

Resolutions 2 and 3 – Re-election of Directors

In accordance with the Company’s Articles of Association, whereby at every Annual General Meeting one third of the Directors shall retire by rotation and are eligible for re-election, Stephen Heapy and Richard Green are standing for re-election at the AGM. The Board of Directors consider that each of the Directors brings valuable skills and experience to the Board. Biographical details for each Director, and the reasons why their contribution is, and continues to be, important for the Company’s long term sustainable success can be found on page 62 of the Annual Report and Accounts.

Resolutions 4 and 5 – Auditors

The Company is required at each general meeting at which accounts are presented to appoint auditors to hold office until the next such meeting. KPMG LLP have indicated their willingness to continue in office. Accordingly, Resolution 4 reappoints KPMG LLP as the Auditor of the Company and Resolution 5 authorises the Directors to fix their remuneration. For further information about the external audit, please refer to pages 63 to 64 of the Audit Committee Report in the Annual Report and Accounts.

Resolution 6 – Authority to allot ordinary shares

The authority given to the Directors to allot further shares in the capital of the Company requires the prior authorisation of the shareholders in a general meeting under section 551 Companies Act 2006 (“CA 2006”).

The Investment Association (“IA”) guidelines on directors’ authority to allot shares state that IA members will regard as routine resolutions seeking authority to allot shares representing up to two-thirds of the Company’s issued share capital, provided that any amount in excess of one-third of the Company’s issued share capital is only used to allot shares pursuant to a fully pre-emptive rights issue.

In light of these guidelines, the Board considers it appropriate that directors be granted authority to allot shares in the capital of the Company up to a maximum nominal amount of £1,788,495 representing two-thirds of the Company’s issued ordinary share capital as at 30 July 2021 (the latest practicable date prior to publication of this document). If the Company wishes to allot more than a nominal amount of £894,247 (representing one-third of the Company’s issued ordinary share capital) then any additional amount can only be allotted pursuant to a rights issue. The Board has no present intention of utilising this authority, however they consider it appropriate to have the flexibility that this authority provides.

If given, this authority will expire on the earlier of the conclusion of the Company’s 2022 Annual General Meeting or on 30 September 2022. The Board has no present intention of exercising this authority however, the directors consider it appropriate to maintain the flexibility that this authority provides.

Resolutions 7 and 8 - Disapplication of statutory pre-emption provisions

If the Board wishes to exercise the authority under Resolution 6 and offer shares (or sell treasury shares) for cash, the CA 2006 requires that unless shareholders have given specific authority for the waiver of their statutory pre-emption rights, the new shares must be offered first to existing shareholders in proportion to their existing shareholdings. In certain circumstances, it may be in the best interests of the Company to allot new shares (or to grant rights over shares) for cash or to sell treasury shares for cash without first offering them to existing shareholders in proportion to their holdings.

Resolution 7 would authorise the Directors to do this by allowing the Directors to allot shares for cash or sell treasury shares for cash (i) up to a nominal amount of £1,788,495, representing two-thirds of the company's issued share capital as at 30 July 2021 (the latest practicable date prior to publication of this document) on an offer to existing shareholders on a pre-emptive basis (that is including a rights issue or an open offer), with one-third being available only in connection with a rights issue (in each case subject to any adjustments, such as for fractional entitlements and overseas shareholders, as the directors see fit), or (ii) otherwise up to an aggregate nominal value of £134,137, which is equivalent to approximately 5 per cent of the issued ordinary share capital of the Company (excluding treasury shares) on 30 July 2021, being the latest practicable date prior to the publication of this Notice. This Resolution 7 is in line with the Pre-Emption Group's Statement of Principles for the Dis-application of Pre-Emption Rights.

The Directors are seeking further authority under Resolution 8 to offer shares (or sell treasury shares) for cash otherwise than to existing shareholders pro rata to their holdings up to an aggregate nominal value of £134,137 which is equivalent to approximately 5 per cent of the issued ordinary share capital of the Company (excluding treasury shares) on 30 July 2021, being the latest practicable date prior to the publication of this Notice. This is in addition to the 5 per cent referred to in Resolution 7.

This extra authority is being sought in accordance with the Pre-Emption Group's 2015 Statement of Principles. The Statement of Principles permits disapplication authorities of up to 10 per cent of issued ordinary share capital in total to be sought provided the extra 5 per cent is used only in connection with the financing (or refinancing) of an acquisition or specified capital investment (as defined in the Statement of Principles). The Directors confirm that they would intend to use the authority sought in Resolution 8 only in connection with such an acquisition or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding six month period and is disclosed in the announcement of the issue.

The Board has no current intention of utilising these authorities, but considers that it is in the best interests of the Company to have the flexibility conferred by Resolutions 7 and 8.

If given, the authorities given in Resolution 7 and 8 will expire at the conclusion of the next Annual General Meeting in 2022 or on 30 September 2022, if earlier. The Directors intend to renew such powers at successive Annual General Meetings in accordance with current best practice.
